FEBRUARY 2017 ISSUE

Our Annual Board meeting was held on Wednesday, January 11, 2017. The Board of Directors and guest enjoyed music by pianist Phoebe House, and a lite lunch was served. Linda Ruehrmund, Board President welcomed everyone, and thanked them for attending. Pam Eastep, Director gave a review of the highlights for 2016, and a special Thank you for the dedication and hard work to those that helped to get our Replacement Levy passed. Deb Ruth, Nutrition Site Manager explained how we are now offering a breakfast the Morrow County Hospital Café, through our Title III funding. Our new addition of the Hot Shot Truck to deliver noon meals to our home bound was also discussed. The meeting ended with everyone singing God Bless America.

We are excited to have our Hot Shot meal delivery truck. This was purchased by a donation from the Leclerc Charity Fund. The donation came, and it was marked for the Home Delivered Meal Program. This vehicle is driven by paid staff, and delivers to the northern section of the county and is currently delivering approximately 20 meals a day. The vehicle will hold around 100 meals and has a compartment for the hot food and a compartment for the cold food. This is a wonderful asset for the Senior Center.

AARP Tax Time is on its way...

After the holiday season is over we begin right away preparing for the tax filing season learning new procedures and rules of tax law.

We will begin our tax preparation season at Seniors on Center, 41 W. Center Street, Mt. Gilead, Ohio 43338 on Tuesday, Feb. 7, 2017.

We will be preparing tax returns on Tuesdays this tax season. Returns are prepared by **appointment only!** Appointments can be made by calling Seniors on Center at 419-946-4191 beginning in January 2017.

Please bring with you to your tax preparation appointment, a copy of your last year's tax return, all W-2's, 1099's, 1098's, receipts for any expenses to be claimed on your return, and any and all income information which pertains to your return. You will need a **photo ID for you and your spouse** (if applicable), along with a **Social Security Card for you, your spouse and any dependents to be claimed on your return**. Even if we do know you, you must have the required documentation. This is to protect all from identity theft which is a very serious problem. We are doing our part to protect you, please be compliant!

"Certain taxpayers will get their refunds a bit later this year. By law, the IRS must hold refunds for ANY tax return claiming either the Earned Income Tax Credit (EITC) or Additional Child Tax Credit (ACTC) until Feb. 15. This means the **WHOLE** refund, not just the part related to the EITC or ACTC.

The IRS advises that taxpayers should file their returns as they normally do. The IRS issues more than 9 out of 10 refunds in less than 21 days. However, some returns may need further review. Whether or not claiming EITC or ACTC, the IRS cautions taxpayers not to count on getting a refund by a certain date." *IRS Special Edition Tax Tip 2016-16.

We look forward to seeing all of you again and hopefully together we'll have another successful tax season as we did last year with all our new volunteers, who at still "at it" with AARP Tax Aides keeping our Morrow County site alive

Breakfast will be offered at the Morrow County Hospital Café Monday—Friday from 7:30—9:00 a.m. Stop in at the Center and sign up and give a suggested donation of \$3.00 if you are 60 and over (under 60 will be a \$5.00 charge) and you will receive a meal voucher to use for breakfast. Do you need help this winter with your heating bills?

HEAP is an assistance program that provides a one-time benefit annually to your primary heating source account. For example, if you heat your home with a gas furnace, a credit will be provided to your gas bill.

Household eligibility is based in part on income. If eligible, the benefit amount will depend on federal funding levels, how many people live with you, total household income and the primary fuel used. In most cases, benefits are applied directly to the energy bill by the utility company.

2016-2017 Income Guidelines

Size of Household	Total Annual Household Income
1	\$20,790.00
2	28,035.00
3	35,280.00
4	42,525.00
5	49,770.00
