

Reprocessing

Flexible Fiberscope Tray

for STERRAD® and VPRO® sterilization

Reprocessing

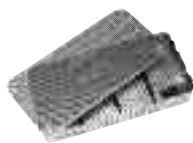

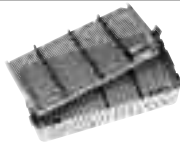

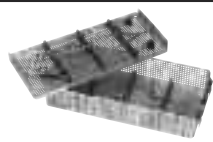

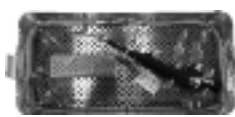

- Stainless steel tray with silicone brackets protect sensitive optics and prevents movement during tray transport
- Accomodates 2.5 mm, 9.8 ft light cord
- Either standard flexible ureterscope or cystoscope, and one light cord fit this tray

Description	Outer Dimensions			Type
	Length (in.)	Width (in.)	Total Height (in.)	
Stainless steel tray with custom silicone brackets and internal utility box, validated for STERRAD® Eo, and VPRO®. Holds either standard flexible fiberoptic cystoscope or ureterscope (without attached LED camera) and a light cord.	21.08	10.39	2.73	85850302

MANUAL FOR STERILIZATION TRAYS

Please utilize “Instructions for Sterilization Trays”,
890-09.02-0812 for complete cleaning and sterilization
instructions for Richard Wolf sterilization trays.

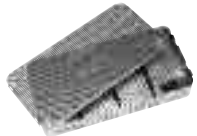

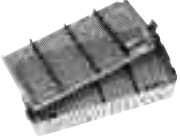

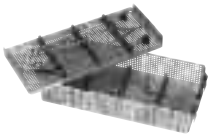

Sterilization Trays for Adult Cystoscopy

Type	Suggested Uses	Outer Dimensions			
		Length (in.)	Width (in.)	Total Height (in.)	
8585.023	Adult standard cystoscopy set. Includes brackets, single layer anodized aluminum tray with utility box	22.8	11.1	3.8	
8585.025	Adult standard cystoscopy set. Includes brackets, double layer anodized aluminum tray with two utility boxes	22.8	11.1	5.3	
8585.073	Adult standard cystoscopy set. Includes brackets, single layer anodized aluminum tray	21.9	10.2	2.8	
8585.072	Adult standard cystoscopy set. Includes brackets, double layer anodized aluminum tray	19.9	8.9	3.9	
8570.005	Radel plastic tray, holds two long 4-5 mm rigid endoscopes, 320 mm long	17	3.2	1.6	
8570.004	Radel plastic tray, holds two short 1.9-4 mm dia. rigid endoscopes, 180 mm working length	12	3.2	1.6	
85850302	Stainless steel standard flexible fiberscope tray with inner utility box. Holds standard flexible cystoscope and light cord	21.08	10.39	2.73	

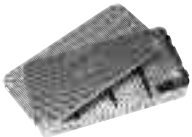

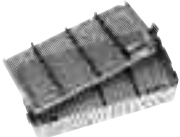

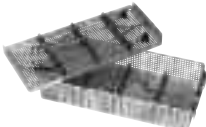

Sterilization Trays for Adult Ureteroscopy

Type	Suggested Uses	Outer Dimensions			
		Length (in.)	Width (in.)	Total Height (in.)	
8585.024	Long ureteroscope tray, holds one ureteroscope and one light cord	25.2	6.4	4.4	
8585.015	Long ureteroscope, holds two ureteroscopes and one light cord	29	9.1	3	
8570.019	Radel plastic tray, holds one DOC, Ultrathin, or compact ureteroscope	26.2	4.5	3.1	
85850302	Stainless steel standard flexible fiberscope tray with inner utility box. Holds Viper or Cobra Ureteroscope, and light cord	21.08	10.39	2.73	

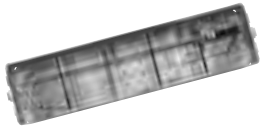

Sterilization Trays for Adult Resection

Type	Suggested Uses	Outer Dimensions			
		Length (in.)	Width (in.)	Total Height (in.)	
8585.023	Adult standard resection set. Includes brackets, single layer anodized aluminum tray with utility box	22.8	11.1	3.8	
8585.025	Adult standard resection set. Includes brackets, double layer anodized aluminum tray with utility box	22.8	11.1	5.3	
8585.073	Adult standard resection set. Includes brackets, single layer anodized aluminum tray	21.9	10.2	2.8	
8585.072	Adult standard resection set. Includes brackets, double layer anodized aluminum tray	19.9	8.9	3.9	

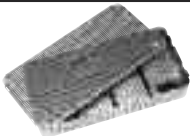

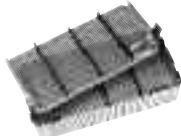

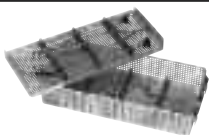

Sterilization Trays for Urethrotomes and Laser Therapy

Type	Suggested Uses	Outer Dimensions			
		Length (in.)	Width (in.)	Total Height (in.)	
8585.023	Adult standard urethrotome or laser set, includes brackets, single layer anodized aluminum tray with utility box	22.8	11.1	3.8	
8585.025	Adult standard urethrotome or laser set, includes brackets, double layer anodized aluminum tray with two utility boxes	22.8	11.1	5.3	
8585.073	Adult standard urethrotome or laser set, includes brackets, single layer anodized aluminum tray	21.9	10.2	2.8	
8585.072	Adult standard urethrotome or laser set, includes brackets, double layer anodized aluminum tray	19.9	8.9	3.9	

Sterilization Trays for Nephroscopy

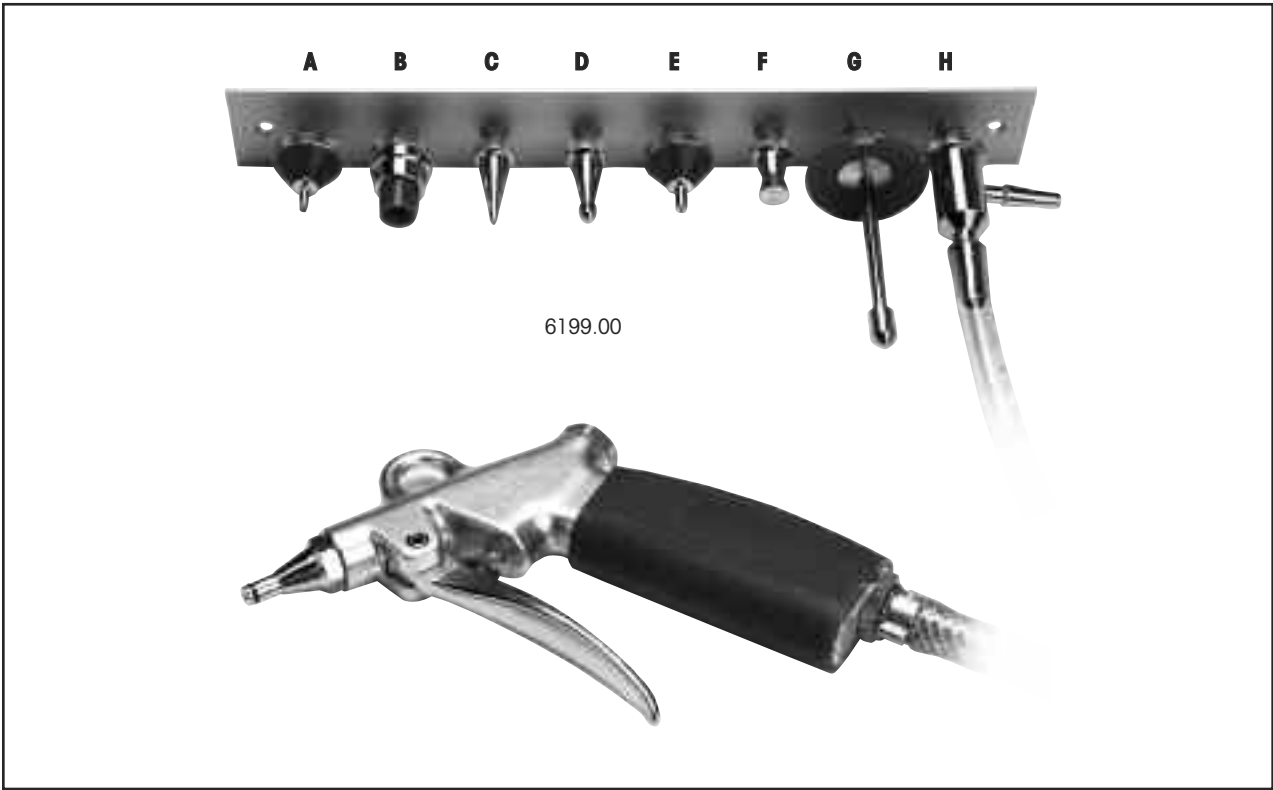

Type	Suggested Uses	Outer Dimensions			
		Length (in.)	Width (in.)	Total Height (in.)	
8585.071	Two layer anodized aluminum tray with utility box, holds a right angle nephroscope and instruments	20.5	9	3.5	
8585.024	Anodized aluminum tray, adult offset nephroscope and one light cord	25.2	6.4	4.4	
8570.041	Plastic tray, holds right angle operating nephroscope	19.8	9	1.8	image not available

Sterilization Trays for Pediatric Urology

Type	Suggested Uses	Outer Dimensions			
		Length (in.)	Width (in.)	Total Height (in.)	
8570.004	Radel plastic tray, holds two short 1.9-4 mm dia. rigid endoscopes, 180 mm working length	12	3.2	1.6	
8570.012	Radel plastic tray, holds one short 1.9-4 mm dia. rigid endoscope	12	3.2	1.6	
8585.145	Anodized aluminum tray for offset and integrated infant/pediatric scopes	15.5	10.7	2.6	
8585.023	Pediatric cystoscope set, includes brackets, single layer anodized aluminum tray with utility box	22.8	11.1	3.8	
8585.025	Pediatric cystoscope set, includes brackets, double layer anodized aluminum tray with utility box	22.8	11.1	5.3	
8585.073	Pediatric and infant cystoscope set, includes brackets, single layer anodized aluminum tray	21.9	10.2	2.8	
8585.072	Pediatric and infant cystoscope set, includes brackets, double layer anodized aluminum tray	19.9	8.9	3.9	

Water Cleaning Pistol

Reprocessing

Water jet cleaning pistol for connection to water faucet
with R-3/4" thread includes the attachments listed below
and holder.....6199.00

The attachments are suitable for cleaning

- A** Sheaths and inserts, syringes, injection cannulas.....15515.003
- B** Sheaths, measuring and blood pipettes15515.004
- C** Catheters.....15515.005
- D** Drainage tubes15515.006

- E** Stopcocks, cannulas and syringes.....15515.007
- F** Douche fitting15515.008
- G** Bottles15515.009
- H** Water jet pumps (with attachments also
suitable for drying)15515.010

Detergents and Cleaning Agents

Lubricating Oil

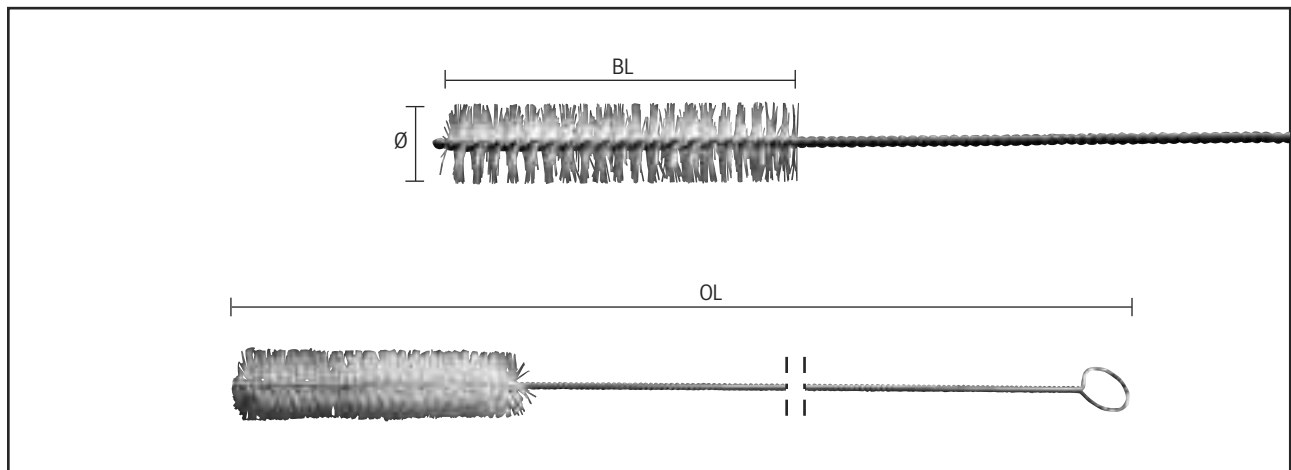

for trocar sleeves, resectoscopes, taps, Albarran levers,
flexible and rigid forceps200.532

Grease

for taps, bladder stone forceps, lithotriptors etc.....200.11

Custom Protection, Ultimate Security Scope Protectors for your scope investment

Validated for All Sterilization Modalities

- EO
- Prevac Steam
- All STERRAD® modalities
- All V-PRO® modalities

Versatile Functionality

- Easy to apply – slide onto the scope and “click” onto the light post
- Variety of uses – sterile packaging (peel pouch or tray) unsterile storage or transport

Ordering Information		
Item	Part Number	Description
	8570.9205	Scope protector, fits up to 5 mm straight-eyepiece endoscopes up to 20 cm WL, package of 5
	8570.9325	Scope protector, fits up to 5 mm straight-eyepiece endoscopes up to 32 cm WL, package of 5
