CVTH is a nonprofit organization dedicated to the promotion of metal detecting as a hobby. No brand or model of metal detector is endorsed by the club. Membership is open to the public with the only requirement being that all members follow the "Treasure Hunters Code of Ethics." NOTE: Club dues average about \$5 per single member or family monthly. Any comments or stories that you would like to contribute to our newsletters are always welcomed.

We had 13 members who graced us with their presence at this August 1st meeting. **Old Business:** Albert was finally presented with his gift card from the June meeting. **New Business:** Treasurer Report had \$553.00 total after we spent \$100 on Walmart Gift cards for prizes and \$42 for breakfast after the last club hunt. Next up, Darrell asked for information about Camp Johnston now located on private land around Carlsbad. Joe stated that a member of the Archeological Club has written a paper on the camp. He then said that he will try to get a copy before the next meeting. CTTC sent us the flyer for their Fall Open Hunt in October and noted that they have invited the Austin Metal Detecting Club. And the Austin Club has sent their flyer to reciprocate. Both flyers will be available at next meeting. We raised \$9.00 on the Marble Game Fund Raiser without a winner!! **We have one club hunt scheduled for Saturday, August 18th in Brady at Richard's Park.** Glen voiced concerns about access so Greg will contact the city officials for clarification on rules. ***If we cannot get permission to hunt in Brady then we will reschedule for a Christoval Hunt the next weekend.*** Next up, We had several hunters submitting finds for this month and there were lots of great items to vote on! After all was said and done the winners were the following: **(see pics on page 2)**

Relic: Robert won with a National Honor Society Metal
