Nitro System.

The nitro system solution.
no tubes, no taps, no hassles.

Cold applications

Dishwasher-safe

NSF-certified / Meets HACCP requirements

Original iSi Nitro Chargers are designed to be used only with the iSi Nitro. The Nitro Chargers do not fit, and cannot operate iSi whippers or iSi soda siphons. Nitrogen chargers from other manufacturers will not operate the iSi Nitro.

Nitro System.

Offer Nitro coffee, Nitro tea, and Nitro cocktails to delight your guests table/barside. Adding Nitrogen (N₂) to cold brew coffee and cocktails initiates a spectacular cascading effect, making the beverage unique and attractive.

Nitrogen creates a velvety creamy texture and long-lasting foamy head for brews and cocktails. The iSi Nitro System allows you to serve Nitro in any operation.

Contents

Product Information.

Item No.	179001	070599
Color	Stainless Steel with brown head	Metallic Bronze
Size	1 L	16-Pack
Application	For Nitro coffee, tea & cocktails.	Nitrogen Gas N ₂
Contents	Brushed stainless steel bottle / stainless head / stainless head valve / brown silicone gasket / 1 brown silicone stainless tip, brown silicone covered stainless charger holder / cleaning brush.	
2 year warranty	x	

Head and bottle are not sold as separate replacement items.

Cream Profi Whip.

The professional cream whipper for all cold applications.

Cold applications

Dishwasher-safe

NSF-certified / Meets HACCP requirements

Compatible Accessories.

Cream Profi Whip.

The cream specialist. Yields 4-5 times whipped cream from liquid contents. The professional cream whipper for coffee shops, ice cream parlors, pastry shops, and wherever fresh whipped cream is served.

Stainless steel bottle and head – designed for professional use. Head with protective silicone grip and removable stainless steel valve for easy cleaning.

Head and bottle are not sold as separate replacement items.

Thermo Whip.

The multifunctional food whipper for all applications with thermal insulation.

Cold and warm applications

Thermo-insulated

Dishwasher-safe

NSF-certified / Meets HACCP requirements

Compatible Accessories.

Thermo Whip.

The versatile tool for cooking & catering convenience.

For the preparation of light and fluffy espumas, finger food, warm and cold sauces and whipped soups, as well as whipped cream and desserts.

Stainless steel bottle and head – designed for professional use.

Head with protective silicone grip and fixed stainless steel valve for easy dispensing, even with warm preparations.

Double-walled, stainless steel vacuum-insulated bottle with maximum thermal performance: keeps creations cold or hot for hours.

Contents

Product Information.

Item No.	180101
Color / Material	Polished stainless steel / red silicone
Size	0.5 L
Application	Thermally insulated food whipper keeps creations like espumas, desserts, soups, and sauces cold or hot for hours.
Contents	Polished stainless steel thermally insulated bottle / stainless head / red silicone gasket / 2 red plastic tips (stainless threads) / stainless tip / red silicone covered stainless charger holder / cleaning brush / dust cover.
Warranty	2 year warranty, with 5 year warranty on the insulating performance of the bottle.

Head and bottle are not sold as separate replacement items.

Thermo XPress Whip.

The self-service, free standing whipper with thermal insulation.

NEW AND IMPROVED - NOW WITH DISPENSING LEVER!

Cold and warm applications

Thermo-insulated

Free-standing for self-service

Stainless steel bottle dishwasher-safe

NSF-certified / Meets HACCP requirements

Compatible Accessory.

Thermo XPress Whip.

The independent whipper for catering and coffee houses.

For the preparation of fresh whipped cream. Also suitable for warm and cold applications such as espumas, finger food, sauces and desserts.

Non-slip silicone drip tray with stainless steel plate – for clean workstations.

Standing cream whipper with riser tube system and lever operated dispensing for ease of use and consistent, smooth operation – new lever is made to fit with your existing Thermo Xpress Whip.

Double-walled, stainless steel vacuum-insulated bottle with maximum thermal performance: keeps creations cold or hot for hours.

Decorator tip and adapter can easily be removed for periodic cleaning.

Contents

Product Information.

Item No.	185001
Color / Material	Polished stainless steel / aluminum / black silicone
Size	1 L
Application	Free-standing cream whipper for fresh whipped and flavored cream or warm creations. Keeps creations cold or hot for hours.
Contents	Stainless steel thermo-bottle / head / riser tube / stainless steel star tip / tip adapter / push button / charger holder / cleaning brush / lever.
Warranty	2 year warranty, with 5 year warranty on the insulating performance of the bottle.

inspiring food.

Professional Chargers.

The best choice for dairy alternatives, lower fat cream, coconut or other vegan choices with maximum yield. Better whipping results with fewer calories. **Whips up to 20% more portions** for cost savings on cream. Makes powerful Rapid Infusions.

Product Information.

Item No.	070299	072499	074599
Color	Metallic-Purple		
Size	10-pack	24-pack	50-pack
Material	100% Recyclable Steel		
Application	More yield and higher stability for whipped cream, desserts, espumas, sauces, soups and much more.		
Content	N ₂ O – individually weighed electronically with filling warranty.		

Funnel & Sieve.

Stainless steel funnel with sieve insert.

Compatible Whippers.

Product Information.

Item No.	271401
Color / Material	Stainless steel
Size	Funnel 0.75 L filling capacity, Ø 15 cm sieve mm mesh
Application	Suitable for straining preparations containing pulp, seeds or kernels.
Contents	Stainless steel funnel with sieve insert.
2 year warranty	X

Rapid Infusion.

Fresh flavor infusions in just minutes. Quickly infuse solid and liquid ingredients to create custom flavors, craft bitters, specialty marinades, flavored syrups to take taste to a new level.

Dishwasher-safe

Compatible Whipper.

Rapid Infusion.

Use the iSi Gourmet Whip and the Rapid Infusion technique with herbs, spices, fruits, and even chocolate to rapidly transfer aromas to liquids such as alcohol, water, oil or vinegar.

Previously this process required days or even weeks, but with Rapid Infusion this is reduced to a few minutes.

Use the Rapid Infusion accessories with an iSi Gourmet Whip – by applying pressure into the iSi Whipper using an iSi cream charger, the flavor of the solids becomes infused into the liquid, which develops a unique taste. With the accessories you can neatly release the pressure and collect the escaping foam or liquid in a container.

Contents

Product Information.

Item No.	272201
Color / Material	Polished stainless steel / red silicone
Size	Suitable for iSi Gourmet Whip 0.25 L / 0.5 L / 1 L
Application	Infusing liquids such as alcohol, oil and vinegar with different flavors, herbs, spices and fruits quickly and easily.
Contents	Sieve gasket mounted on a sieve / ventilation tube / silicone tube / cleaning brush.
2 year warranty	X

Sparkling water

Contents

Stainless Steel Soda Siphon: 1L Item: #102001
Soda Chargers CO₂, pack Item: #000499

New more powerful soda chargers add more fizz for each application.

inspiring food.

Flex-it® Measuring Cups.

Few pieces of kitchen gear get as much use and as little design consideration as measuring cups. We sought to change that with measuring cups as well thought-out as they are attractive. Easy-to-read numbers (in both US and metric measurements) on translucent silicone make accurate measuring of any ingredient a snap.
