

Dear Friends,

The North Jersey Symphony Orchestra was founded in 1961, over 60 years ago, as a community orchestra here in Bergen County. With your support, we aim to continue our mission of providing quality music in the community at a reasonable cost. The North Jersey Symphony is deeply grateful to all of our current advertisers and contributors. However, even this wonderful support and ticket sales do not cover our modest costs. We are asking you, a cherished member of our audience, to add your contribution to help to provide the orchestra with the means to perform for you.

Contributions of \$25 or more will be acknowledged in the next concert program.

If you have any suggestions or requests for works you would like to hear us play in the future, please contact us at northjersseysymphony.com or at the address below.

Thank you for coming and we hope you enjoy the program.
