Dear Rosemary,

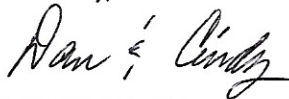

We are sorry that we have not sent you a letter of recommendation until now.

We really appreciate your help in getting our website up and running for internet users. You are very internet knowledgeable, and were available for us whenever we needed your help during and after the building of the website. We are very pleased with your service, Rosemary Petchell's Office Works, and will highly recommend your business to local people & businesses in our area.

Thank you so much, we hope to continue our relationship with you in the future.

Happy Holidays!

Sincerely,

Dan & Cindy Taber
