

Quality Professional Photographs at Affordable Prices

Standard Package: \$250

- Includes:
- Time and Effort of a professional photographer
 - Travel to and from your photographic event
 - Up to **1** hour of the photographers' time at the event
 - **5** professionally enhanced copyright-free images

- Process:
1. Call or email Marie to schedule your photographic event. She will discuss the specifics of your photographic needs, including location and styles of photos.
 2. On the day of the event Marie will turn up in plenty of time to carry out the event at your chosen location. Now relax and enjoy the fun.
 3. Marie will select the best images from the event and put the basic watermarked images on a secure online folder for you to select the images you want professionally enhancing. Just let her know the 5 or more images that you've selected.
 4. The professionally enhanced digital images suitable for printing at any size will be put back into the secure online folder for you to access, download, order prints, and share with your family and friends.
