

**RAP (Riverside Avondale Preservation Society)
Outstanding Home Renovation 2015
1873 Powell Street - Jacksonville, FL**

Jeffrey E. Schaefer Master Builder Inc. was recognized for excellent quality of construction of historic renovation of a 100 year old single family home. This project included complete replacement of foundation. Duplication of multicolor handmade clay tile patterned flooring, new electrical, plumbing, HVAC, appliances and cabinets. Custom made glass shelves and stainless steel countertops, and preservation of historic doors, windows and wrought iron ornamentation.
