VOLUNTEER EXPERIENCE:

Public Garden & Park *for the City of North Lauderdale*

Position: Intern/Design Consultant

North Lauderdale, FL

Fall 2013- Spring 2014

EDUCATIONAL EXPERIENCE:

Study Abroad: Barcelona and Rome *Design 10 Studio Project*

Summer 2013

Travel to specific cities to gather information, research the site, and learn about a foreign place. Upon return a project is developed from the entire experience.

Savannah Carriage House and SCAD Student Housing *Design 6 Studio Project*

Spring 2012

Students studied the site in Savannah, GA, and designed a 20'x20' studio house, known as a Carriage house. This was a warm up project for a Student Housing Project for the Savannah College of Art and Design for up to 16 artists and up to 4 different studio spaces.

The Wolfsonian Addition *Design 4 Studio Project*

Fall 2010

The Wolfsonian is an FIU owned museum/library located in the heart of the art deco district, Miami, FL. The project was to design a suitable addition based on a piece of art, of the students choice, found in the museum.

SKILLS:

Autodesk AutoCAD, Adobe Photoshop, Google SketchUp, Adobe Illustrator, Autodesk Revit.
