

# Birthday Parties at KWSA

Your search though endless party ideas has ended! Book a party with KWSA and you will see why our clients consider us the best place in Key West for kids parties. From the time you walk through the door to our indoor playground fully equipped with trampolines and obstacle courses, our professional staff will be there to take care of every detail of your party.

The first hour and a half of your child's birthday party will be spent in our gym where your party guests will have a blast! The next 30 minutes will be spent in our party area. Here, you can enjoy whatever treats you decide to bring while opening presents and celebrating the birthday child. The best part is that we clean everything up afterwards so you are 100% free to focus on enjoying the party and your guests.

You are welcome to choose your own theme for your child's party and decorate the room however you like. If you prefer to keep it simple, we have standard tablecloths available at no extra charge.
