A note from Rick: Markets continue to follow their upward trend at TLA this week. Slaughter cows were the biggest mover this week with over half of the cows sold averaging \$70.50/hundred weight. Holstein steers were very strong as well with several steers bringing over \$1.00/lb. I'm sure the Memorial Day weekend ahead, which kicks off grilling season, played a big roll in this. Nevertheless, these markets were stronger this week than they've been for quite some time. We're gearing up here at TLA for the Seymour Draft Horse Auction on June 3rd through the 5th. We've got a great list of consignors to offer nearly 300 head of high quality Percherons and Belgians. Hats off to Dewayne Beechy for putting this group of people and horses together. Hats off to the crew here for their extra efforts getting the barn and arena in tip top shape to accommodate this event. This will be the last sale in the barns that have stalled horses for sales like this for all these years. Plans are to be in the new stalling barn early this Fall in time for all of our Fall Sales and events. It continues to be an exciting atmosphere here at TLA. Come join us!
