DESCRIPTION: This high-end popular Wing hunting bow was known as the 'Black Beauty'. Bow-flex (phenolic) riser. Great looking and performing hunting bow. This bow has been partially refinished. Original decals in good condition. No delamination; no cracks; limbs are straight. Overlays are in great condition. Tips are in good shape. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor blemishes, scratches and scuffs on the limbs and riser. One of the original tip overlays was missing and was replaced with a reasonable facsimile (see pics on last page).
