

WAYS TO HELP KEEP YOUR CHILD SAFE

- Participate in your child's activities
- Get to know your child's friends
- Teach your child the difference between OK touches and NOT OK touches
- Be aware of changes in your child's behavior or attitude
- Ask them questions about how they're feeling
- Listen when your child says he/she does not want to be with someone and find out why
- Be alert for any talk that reveals premature sexual understanding or knowledge
- Tell your child what to do if they should become separated from you when you're out in public
