

Trauma Informed Teaching During Times of Uncertainty

Tuesday, July 28 9-10 am

Thursday, July 30 9-10 am

Cost: FREE 2 PDC's

School will be quite different this fall. You are invited to join Lynn Kalnins and Terry Camplain for this Zoom workshop to learn more about supporting students during this challenging time.

- Participants will describe the effects of school closures and the global pandemic on students experiencing or who have experienced trauma.
- Participants will recognize the concept of collective dysregulation, and reflect upon how the global pandemic and school closures have impacted their own emotional and physical status.
- Participants will choose three of the strategies discussed that support students with trauma and collective healing following times of uncertainty to implement in their educational environment.
