

# Christ the King Learning and Growth Center

It wasn't until the 19<sup>th</sup> Century before the month of May was dedicated in honor of the Blessed Virgin Mary. She has a unique role in the salvation history as the Mother of God, conceived without Sin, and devoted her life to Jesus in the most loving manner possible. It is only fitting that May is a celebration of her because the origin of May is *Maia* in Latin which is associated with beauty, blossom, growth and spring.
