We want to thank everybody for your support - for being active and loyal customers of Luchi & Joey's and Greenlane Co. In some strange way, this current situation has been triggering the same feelings we had during Hurricane Harvey...super uncertainty with no control over the outcome. Unsettling times for everyone with unprecedented reactions to the increasingly rapid spread of the Corona virus.

Since the virus materialized in Houston, we have understandably seen a significant decline in attendance to our restaurants - we all seek to adjust our daily routines to this new normal by limiting our time out and exposure to our community – however we want to assure everyone that we are taking every precaution necessary to safeguard our customers, after all, we will have nothing if we do not have our health.

As we work through the uncertainty of the coming weeks, we ask for your support. **Please visit us at [greenlaneco.com](http://greenlaneco.com) or [luchiandjoeys.com](http://luchiandjoeys.com) and (713-2231232 Ordering Hot Line for all Restaurants).** We have our regular menu or alternative family meals that can be picked up or taken to your car. For deliveries you can continue to use grubhub/doordash. For sure this will greatly help limit the impact this situation is having upon us. If you have any suggestions or ideas please contact us at [joe@luchiandjoeys.com](mailto:joe@luchiandjoeys.com)

We sincerely appreciate your support through this challenging time. We hope that you all stay safe and healthy allowing us to get back on our feet as soon as possible.

God Bless,

Luchi and Joey
