Vision Statement for Sts. Peter and Paul Catholic School

1. To teach doctrine and moral values as the foundation on which the entire life of the students is built
2. To create a challenging environment which fosters academic excellence so that every student will be able to attain the maximum level of potential
3. To create an environment where parents and teachers work in partnership for the development of the children
4. To adapt the current trends in Language Arts and Mathematics to our curriculum in accordance with the philosophy of the school
5. To develop and encourage an awareness of the needs of others and to respond by rendering service to the community at large
6. To encourage and develop respect, appreciation and understanding for the individuality and rights of others.
7. To develop culturally oriented persons who recognize beauty and appreciate music, art and literature
8. To enable students to acquire basic skills and knowledge through a sequential curriculum in all areas of learning
9. To develop an awareness and appreciation for the realization that God has gifted each individual in different ways.
