

SAFETY MANAGER

City of Green Bay

The City of Green Bay is seeking a Safety Manager to plan, direct, and administer the occupational health and safety programs and activities, act as the City's ADA coordinator, and approve special events. The Safety Manager also directs, organizes, administers, and maintains the City's insurance programs (excluding general liability).

The successful candidate will be an effective communicator and possess excellent problem-solving, decision making, and self-management skills.

Qualified candidates will possess the following qualifications:

- Bachelor's Degree in Safety or Risk Management.
- RM or CSP certification preferred.
- Five years of increasingly responsible experience in a professional or administrative capacity in the area of Worker's Compensation, Safety, Occupational Health and/or Loss Control Management. Insurance experience desirable.

The hiring range is \$65,541 - \$71,323 plus an excellent benefits package including health, dental, life insurance and pension. Apply online at www.greenbaywi.gov/jobs.

Applications will be accepted until the position is filled.

*The City of Green Bay is a leader in employee health and wellness with its **Health** | 1265 program and a goal to engage all employees in their own health and well-being.*

The City is committed to a work environment and community governance that values and supports diversity and inclusion.

An equal opportunity employer.
