## KEY INFORMATION

Dear Parents/Carers,

### Key Workers

We can confirm that our school will be remaining open for key workers whilst they are carrying out essential services for the communities. If you fall into this category and wish to utilise this service, please can you fill in the slip below and return to school **tomorrow** (as we need to know for safeguarding and ratios purposes how many staff will be required to work in school rather than remotely). Currently key workers include school staff, social workers, health workers, blue light services and those that provide vital logistical supplies such as delivery drivers and utilities engineers. However, additional job roles may fall into this category and we expect to hear more from the Government on this in the coming hours. The school will also contact you if your child falls under any other group that provision can be made for. **All other children are expected to stay at home.**

### Free school meals

We are awaiting information with regard to how this is to be implemented for those children who are entitled to this— as soon as we are aware, we shall pass the information on.

### Safeguarding

Safeguarding is given the highest priority at Blackwell. There may be times over the coming weeks when adults are concerned about children in the community. If so, please contact Derbyshire County Council's Child Protection department on 01629 533190 or the NSPCC on 0808 800 5000. Please don't ignore concerns; child protection is everyone's responsibility.

Thank you for your continued support,

Mrs R Boswell (Headteacher)
