Tonight’s Sabbath Evening Program Will be “The Case for a Creator”

THE ISSUE: Does current scientific data support the theory that the universe was created with intelligent design?

WHAT SKEPTICS SAY: Belief in an intelligent designer is a religious theory that has no basis in science. Scientific data supports evolutionary theory, and everyone knows it.

WHAT THE BIBLE SAYS: "In the beginning God created the heavens and the earth" (Genesis 1:1). "The heavens declare the glory of God; the skies proclaim the work of his hands" (Psalm 19:1).

Come Explore the evidence that supports a belief in a creator God at 6:00 p.m. this evening.

The Barstow Pathfinders will be attending the 2018 SECC Pathfinder Fair tomorrow, May 20th. Please come in your Class A uniforms. Bring a change of clothes including your field shirts. We will meet at the Social Hall at 6:30 a.m.

#671 As We Come to You in Prayer

*Now, Dear Lord, as we pray,
Take our hearts and minds far away,
From the press of the world all around,
To Your Throne where grace does abound.
May our lives be transformed by Your love;
May our souls be refreshed from above,
At this moment, let people everywhere
Join us now as we come to You in prayer.*

#684 Hear Our Prayer, O Lord

*Hear our prayer, O Lord.
Hear our prayer, O Lord.
Incline Thine ear to us.
And grant us Thy Peace. Amen.*
