MEETING – JUNE 10th

Glasvan Great Dane provided us with a nice, thorough and entertaining evening that was well received judging from the reports. George Cobham Jr., VP Sales & Marketing, delivered a flawless enthusiastic presentation from which it was very apparent that he was well versed in his company's products, their capabilities and technical aspects.

George reviewed **Glasvan's** 30 years in business; their parts and service operations with 4 locations in Southern Ontario with 35 bays and 7 mobile units; their spec'ing of trailers and shunt trucks; and their product line that includes:-

Great Dane, Capacity, Landoll, Chaparral/Doonan and Etnyre; also supplier of other products such as fairings, auto lube systems, lift gates, etc.

Of particular interest to **Glasvan Great Dane** – and in keeping

with the "Green" times – is their current push to launch their recently acquired **Capacity PHETT** hybrid electric (always under electric drive power) shunt truck that was on display and was quite the draw. George gave an impressive review of this hybrid and has a couple on dedicated demonstrations with impressive results. Any outfit interested in a cost/funding/performance analysis and demonstration should contact George at: 905-339-5352.

At the head table with George were: Rob Fitzgerald, Service Foreman; Joe Bradica, Service Manager; and Walter and Brandon Theling of Glasvan's tractor shop.

Thanks again to George and to **Glasvan Great Dane** for an enlightening evening.

50/50 Draw: David Weatherhead of Centennial College won the 50/50-and promptly turned back in to add to the total. All proceeds were directed to the Brest Cancer charity.
