## Patient Insurance Waiver Form/Agreement to Pay

I understand that by signing this agreement, I am authorizing the physician, optician, and staff at Schmidt EyeCare to perform my requested optical and/or medical procedures.

I understand that every effort will be made to bill my insurance for the services rendered. In the event of insurance denial to pay, I agree to be responsible for the full amount of the billed charges or the remaining balance after my insurance has paid. I understand that refractions and contact lens exams are elective procedures that insurance will not pay for.

I give valid consent of the release of all medical record documentation to any insurance company for determination of reimbursement for the exam services. I also authorize the release of my insurance benefit information to help in the reimbursement process. My consent is valid for whatever time frame necessary until further notice.
