APRIL ASSIGNMENT

Living Animals

The April assignment is to submit TWO photographically interesting images of a **Living Animal(s)**. The animal can be anything from Amoebas to Armadillos or even bigger! (But NOT Humans)

A - A full or nearly full body image of the animal(s)

B - A photographically interesting and **creative** closeup of **one** portion of the same animal.

Each photo should stand alone as a nice image displaying excellent composition, exposure, contrast, creativity, etc., etc. Images may be in color or B&W.

Label each image with your name, meeting date and A or B:

e.g. stevehouston04_22 A **and** stevehouston04_22 B

In your email, indicate the title of each image and where it was taken.

Send to Steve Houston at sdhouston360@hotmail.com

MAY GUEST SPEAKER

Kevin Gourley

Kevin Gourley will be the guest speaker at our May 5, 2022 meeting. Whether this will be in person or via Zoom will be decided closer to the meeting date.

Kevin has been a popular professional photographer in Austin for many years. He is already well known to many members of the Shutterbug Club as a wonderful teacher of photography. He leads many local seminars and workshops on outdoor and studio photography, LightRoom, PhotoShop and other photo topics geared toward beginner, intermediate and highly experienced photographers. He joyfully leads summer and fall photo workshops out of Estes Park, Colorado, exploring Rocky Mountain National Park and the surrounding areas.

We have asked Kevin to choose the topics of his own interest to share with club. Be sure to put the May 5 ASC meeting on your schedule!

TEXAS WILDFLOWER SEASON

Texas wildflower season is around the corner and below are some links for a day's drive to see and take pictures of the beautiful flowers that will be in abundance.
