MEDITATION FOR THE NATIVITY FAST

A Christian must be courteous to all. His words and deeds should breathe with the grace of the Holy Spirit, which abides in his soul, so that in this way he might glorify the name of God. The graceful speech of a Christian is characterized by delicateness and politeness. This fact, born of love, produces peace and joy...

*Prophet Habakkuk
December 15*

Christians, have we understood the great responsibility that we have taken on before God through baptism? . . . Have we come to know that we must conduct ourselves as children of God, that we must align our will with the will of God, that we must remain free from sin, that we must love God with all our hearts and always patiently await union with Him? Have we thought about the fact that our heart should be so filled with love that it should overflow to our neighbor? Let none of us lose our boldness, . . . nor be afraid of the difficulties of spiritual struggle. For we have God as a helper. . . + St Nektarios of Aegina
