---

Peggy, thank you very much for all of your help with my relocation. We really appreciated all of your time and patience in showing us the number of homes you did until we found the one we were looking for.

In addition to conducting the business side of my relocation very professionally you were also great to work with.

In short, we appreciated your professionalism and enjoyed working with you. I would highly recommend your services to any company or individual. Thank you again for all of your help.

Sincerely,
