## Member Spotlights

### Teresa Feick, NSBEA President

I hope you are adapting to your new teaching/educational environment. I know you are embracing the challenge and doing your best!

It is time to start collecting information from NSBEA members for the Member Spotlight section for future NSBEA newsletters and correspondence. I would like for you to take a few minutes and complete the questions in the email that was sent to every NSBEA member. Matt Maw, past-president, Cathy Nutt, president-elect, and I will take the information you provide and we will write a spotlight article. Our goal is to highlight as many members as possible and share the great things you are doing in your classroom. Plus, members will get to know more about you!

Thank you to those who have already answered the questions. In this issue members—Tory Gilson, Janet Stalder, and Erich Whitemore will be featured.

NSBEA Dues--\$20 for professional and \$5 for student!

It's time to renew your NSBEA and NBEA dues!

Renew at [nsbea.org](http://nsbea.org) and [nbea.org](http://nbea.org)

NBEA dues-- BEFORE July 1st-- \$100 AFTER July 1st-- \$149!

## Member Spotlight—Tory Gilson

**NSBEA Member Spotlight: Tory Gilson, Overton Public Schools, Grades 7-12**

### **Courses Taught:**

Yearbook, accounting, entrepreneurship, leadership, personal finance, business math, information tech and marketing and business communication

### **What accomplishment fills you with pride so far this year?**

Our school going through a new journey of education and dealing with adversity in different facets of life.

### **How and why did you first get involved in NSBEA?**

It helped our FBLA program and it's another network for me to be able to get to know other educators in Nebraska

### **How have you grown professionally through your involvement in NSBEA?**

This is my first year so I look to gain a lot of valuable information that will help me grow as an educator and give me opportunities to learn.

### **If you could swap jobs with anyone for a day, who would it be? Why?**

The president, I would like to see just how many meetings, conversations and people he meets in a given day to see who all is impacted.

### **What is currently on your playlist?**

80 s rock n roll

### **Words of Wisdom...**

Look both ways before you cross the street!

## Member Spotlight—Janet Stalder

**NSBEA Member Spotlight: Janet Stalder, McCook Community College, Post-Secondary**

### **Courses Taught:**

Principles of Accounting I and II, Introduction to Accounting, Input Keyboard Technology I and II, Business Math and Calculators, and Payroll Accounting

### **What accomplishment fills you with pride so far this year?**

I was asked to assist with the NBEA Panel Discussion on "What Students Need to Know About Ensuring Safe Workplaces" that appeared in the December Issue of the Business Education Forum.

### **How and why did you first get involved in NSBEA?**

It is the premiere organization where you connect with other professionals in the business field to share knowledge and expertise as we have over the years traversed through major technological changes.

### **How have you grown professionally through your involvement in NSBEA?**

After 44 years of involvement--I cannot begin to tell you all of the ways that I have grown. I love the community of Business Educators that are always so helpful, supportive, and fun to be around. It truly has been a very rewarding career.

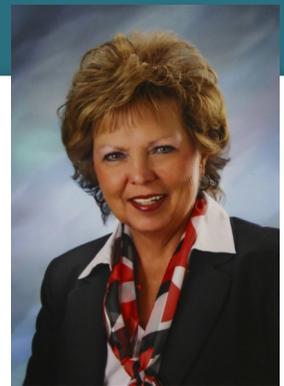

### **If you could swap jobs with anyone for a day, who would it be? Why?**

Working as a cafeteria worker in a hospital or nursing home. My Mother was always such a great cook and she spent many years cooking first at a nursing home and then at Bertrand Public Schools. She always enjoyed getting to visit with the residents or the young children as they went through the school line and this might be something that I'd enjoyed seeing what her life was truly like for a day. She was such a sweet, kind, caring woman and I miss her dearly every day!

### **Words of Wisdom...**

At first, the learning curve can make it difficult to want to adjust--but once you get it down, it does truly simplify your day-to-day tasks.

Surround yourself with the best educators in the profession--those that always go above and beyond and allow them to continually challenge you to also go above and beyond!

## Member Spotlight—Erich Whitemore

**NSBEA Member Spotlight: Erich Whitemore, Fremont High School, Grades 9-12**

**What accomplishment fills you with pride so far this year?**

Our department made a choice for all of us to be a part of NSBEA.

**How have you grown professionally through your involvement in NSBEA?**

Learning new ideas from other educators.

Jeff Bezos, Amazon CEO, just to know what it was like to be the richest person in the world even just for a day!

## Josh Hinrichs named 2020 Reiser Economic Educator of the Year

Mr. Hinrichs has taught economics and business at Lincoln Southwest High School since 2008. He is an incredible educator who cares about student success and provides excellence in the classroom.

Mr. Hinrichs is the recipient of many impressive achievements. He is a 3 time winner of the national and coveted 100 Best in Teaching Personal Finance Award. He is a 3 time winner of the W!SE Gold Star Educator in Personal Finance Award, meaning his students achieved a 93% pass rate on the national standardized test in personal finance. He is also a 4 time winner of the W!SE Blue Star School in Personal Finance Award, meaning 85% of his students passed the national standardized test in personal finance. In 2019, as a selected NCEE scholarship recipient, Josh earned his master's in economics and entrepreneurship from the University of Delaware. For his master's thesis project, Josh spearheaded an effort to expand and implement high school business competitions throughout the state of Nebraska, adding events in Chadron, Kearney, and Wayne. These events will be continue on as a legacy to Mr. Hinrichs' work and a manifestation of his desire to ensure more students are reached with important economic and financial education opportunities.

Hearty congratulations on your well-earned and well deserved honor as Nebraska Economic Educator of the Year!

Josh is both a NSBEA and NBEA member.

### MAKE NSBEA MEMBERSHIP RENEWAL A PRIORITY NSBEA Members Who Retired in 2019

Are you looking to retire in the near future? Would you like to be recognized for your hard work and dedication given to business education in Nebraska? If you answer to both questions is YES, then you will want to make it a priority to renew your membership in NSBEA for the coming year.

#### Qualifications for Honorary Membership

According to the Bylaws: Honorary membership may be granted to persons who at the time of their retirement have been involved in business education in Nebraska and have been members of NSBEA for a period of at least five consecutive years immediately prior to retirement. Honorary members shall pay no dues and shall be eligible to receive the periodic NSBEA newsletters, to attend the NSBEA State Convention, and to attend the NSBEA Business Education Sectionals. Honorary members shall not be entitled to vote in Association matters, to hold an office, or to serve on a committee.

NSBEA has recognized many business educators over the years, and we want to continue this tradition! If you know of a colleague who retired this past year (2019) and has remained active in NSBEA for the past five consecutive years, please contact me at [celeste.rogers@sandhillsknights.org](mailto:celeste.rogers@sandhillsknights.org). If for some reason you have retired prior to 2019 and have met the guidelines and have not been recognized, please let me know. I look forward to hearing from you.

## A New Normal—For Now!

Murleen Bellinger, Executive Director for ACTEN

What a world we now live in! I certainly feel for every teacher that is now teaching his/her students online. I know our Nebraska teachers are stepping up to the challenge and making it a positive educational experience for their students. You have probably heard me say many times that I would not have survived as a new teacher (well, or veteran teacher either) if it had not been for my professional organizations and the connections and resources provided by those organizations.

During this new normal, now more than ever, you should not forget about the value of belonging to your professional organizations. I encourage you to make the professional commitment a priority to help you during this difficult time. Your connection with your professional organization and its members may be what you need to help you make the transition from teaching face-to-face to online.

The Association for Career and Technical Education is one of those professional organizations that can provide guidance and resources in making this experience a worthwhile endeavor. ACTE/ACTEN continues to be your voice in promoting career and technical education on the national level for not only funding but also emphasizing the value of CTE for our students.

So that you don't have to stress about whether your program will be cut or underfunded, I highly encourage you to join or renew your membership in ACTE/ACTEN. Let the staff at ACTE fight your battle for you and give you tips in promoting CTE.

Dues for ACTE of Nebraska are \$30 and dues for ACTE are \$80. You may join more than one division through ACTE for \$10 per division. Your primary ACTE division will be your ACTEN/state division.

If you have a passion for teaching, a passion for what you teach, a passion for the students you teach, consider joining ACTE. As a national organization, ACTE is the best advocate you will have for your CTE program. You may find out more about ACTE and ACTEN at [acteonline.org](http://acteonline.org) and [actenebraska.org](http://actenebraska.org).

You may submit your dues online at [acteonline.org](http://acteonline.org) or mail your dues to ACTE of Nebraska, PO Box 89, Waverly, NE 68462. If you have additional questions, contact Murleen Bellinger at 402-525-8742 or email at [actenebraska@gmail.com](mailto:actenebraska@gmail.com).
