Quotes:

“I believe that Larry will fulfill your mission when he goes to a college where he will strive to succeed. He will not only be an exceptional candidate but, with his diverse interests and high energy level will contribute in countless ways to the college community he joins.” **Shigemi Oikawa** - Teacher

“In the fall, I'll become a first-year at the University of Virginia where I plan on studying aerospace engineering. I am very lucky to have received the Anchor Scholarship because it'll motivate me to keep working hard in school and to not have to worry about money. Thank you!” **Larry**
