

Public Announcements:

### Gravel Road Work!!!

The Road Commission has announced that funding is available for some gravel and gravel road maintenance within the township. If any resident feels their road needs work, please contact the Township Supervisor, Steve Boyd, at 932-8447. He will be assembling an action list on June 15, 2018.

Also, the Road Commission has also asked for a list of maintenance projects for paved roads. This would involve patching only, filling in potholes, ditching, etc.

This does NOT include major road projects, as those are handled separately. Contact the supervisors office if you have an issue that needs addressing.
