April, 2019

Management and Maintenance, Inc.

7803 E. Harvard Ave., Denver, Colorado 80231 (303)755-2732

April Trash Pick-Up: NOTE: Remember the one day delay to March 29.

Extra trash and recycle, April 4; Recycle April 18.

Reminder: Pets **must** be on a leash when walked in public areas. Also be mindful that pet owners are not necessarily open to your letting your pet approach their dog(s) at close range, so be respectful of a reasonable space between your pet and others.

2019 Community Garage Sale: Save the date: The annual Indian Creek community garage sale will take place on Friday, June 7th and Saturday June 8th from 8:30 A.M. MDT to 2:00 P.M. MDT. Watch for more updates in the May Newsletter!

Installation of New Mail Boxes: The Board decided that the installation of new, more secure mail boxes is advisable in light of recent attempted break-ins. The schedule for installation is as follows: The USPS will pull out mail on April 9th. All of the new equipment will be installed that day and will haul off all of the old equipment. The next day, the USPS will return and do the internal addresses. At that point, we will have accurate information so that new keys can be distributed to the residents. The day that we have the keys and the next day, we will have a Board member available from 5:00-7:00 at the mail boxes to let you sign out your new key. You must sign for your own key. Anyone who is not able to pick up the key on those two days, can subsequently sign out your key at the offices of Management and Maintenance, 7803 E. Harvard Avenue. Additionally, the USPS will probably add three additional Outdoor Parcel Lockers to the three which do not already have a new one to make each location uniform.
