Post Commander

What a great Sportsman raffle we had! Many people look forward to this event and I get a lot of comments about how well it is run, the food, the prizes and how great the atmosphere is. Thank you to Les Bowens, the Litzenbergers, The Rinaldo's, Ray Torres and the kitchen team, the Auxiliary and all too numerous to name that helped make this yet another successful event. This is our largest fundraiser of the year and it takes a lot of hours for planning, execution and cleanup. You should all be proud of our members who work so hard to support our post.

We are looking at other ideas for fundraising, would you consider donating one night a year to help out?

I keep hearing from other's what an active post we have and how well they are treated when they come for a dinner or visit our club. This is a reflection of each and every member, Thank You!

The Tuesday night dinners have started back and they are a great meal for the price, I hope to see you there.

We continue to discuss a merger with the Rush post – these things take time – we plan on getting additional information out to members in the next few months. We would like to hear your input.

American Legion Auxiliary

Our Auxiliary year has gotten off to a busy start!

Thanks to all the members who helped out with the Sportsman's Raffle. We had Auxiliary members and juniors selling raffle tickets, running the Chinese auction and donating items to the auction. One of our members even stepped in to help DJ the event. Fun was had by all! We also supported a fundraiser for a local girl suffering from cancer. Our Auxiliary donated two baskets to the event. Thanks to Betty Jane and Margaret for putting the baskets together! We also had members attend the fundraiser.

We held our first meeting of the new year on Wednesday, September 26, 2018. Our Empire Girls State attendee, Lilly Oliver, attended and spoke about her experiences at Girls State. She enjoyed learning about how the government runs and getting to know the other girls. While there, she served on the environmental committee. Lilly plans to attend college with plans to go into Biology Research. We will be supporting the Breast Cancer Walk in October and plan to hold another "Paint the Post Pink for Pluta" fundraising event in February. We also have members attending the National Mission Training and Junior meeting in Albany Sept 28-29th.

We have a variety of events and activities coming up this year, something for everyone! Even if you aren't able to get out much, we have volunteer activities for you. Did you know we collect, clip and mail coupons to our troops overseas? Just in September, we mailed over \$9,300 worth of coupons!! If you knit or crochet, we are always in need of skull caps for our troops, infant caps for the American Red Cross, lap robes for our veterans in the VA or a variety of other winter items for donation to local shelters. I encourage everyone to get involved! If you are interested, give me a call!!!
