QUALIFYING:

- 1) Qualifying fees are \$3.00 per sheet. Fees **must be paid** before the darter begins any qualifying attempt(s).
- 2) **All sheets paid for are non-refundable and non-transferable. No credit will be extended.**
- 3) **Regular qualifying: A maximum of 3 sheets per person can be purchased at a time and thrown.** 3 Additional sheets can be purchased upon the previous 3 sheets being turned in by the scorer, either by qualifying attempt or incomplete sheet (D.N.F.).
- 4) **BOGO: A maximum of 2 sheets (buy 2, get 2 free) per person can be purchased at a time.** Additional sheets = (buy 2, get 2 free) can be purchased upon the previous 4 sheets being turned in by the scorer, either by qualifying attempt or incomplete sheet (D.N.F.).
- 5) On a REGULAR or BOGO Night any outstanding (UN-scored, returned) or new purchased sheets go to the bottom of the stack so others can qualify. This will also apply to breaks that are longer than the 5-min wait time.
- 6) **Men -** Each attempt consists of 3 games of **501 straight in, double out**
- 7) **Women -** Each attempt consists of 3 games of **301 straight in, double out**

- 8) You will be shooting for the lowest number of darts to complete a total of 3 games
- 9) The qualifying score used for determining the All*Star team is the *SUM* of 3 games total for a given qualifying attempt. A game from a different score sheet may not be used to calculate the qualifying score.
- 10) Once a darter's name has been called to a board, you will have a 5-minute (max) wait time to be at the board.
- 11) If a darter is not present at the board by the 5-minute (max) wait time, the qualifier sheet will be placed at the bottom of the stack.
- 12) The darter may warm up **9 darts max** (on the game board) before starting each game of a qualifying attempt. The darter must inform the scorekeeper when they are ready to begin each game prior to throwing the first dart of that game.
- 13) Once the first game has begun, all three games *must be completed* without a break.
- 14) For safety reasons: All games will be monitored/scored by DDA board members and/or All*Star Committee Members at tables. Scores must be verified by the scorekeeper before darts are pulled from the board. If there is no verification, the scorekeeper will list that round as a zero (0) score and 3 thrown darts.
- 15) Any darter that is caught intentionally cheating while qualifying or who shows/has an Un-sportsmanship manner will be disqualified from making the All*Star Team
- 16) Each leg of a qualifier consists of 30 (*max out*) thrown darts or less for a given leg. Once a leg starts, all darts thrown count in succession as the 30 (*max out*) thrown darts or less for a given leg.

Example: Game 1)	<u>22</u>	<u> </u>	<u>22</u>
	# darts thrown	Max out (30)	Game 1 total
Game 2)	<u>17</u>	<u> </u>	<u>17</u>

Game 3)	<u>30</u>	<u>30</u>	<u>30</u>
	# darts thrown	Max out (30)	Game 3 total
Total of 3 games: <u>69</u>			

- 17) The sum of all thrown darts counts as the score for a given leg.
- 18) All bounce-outs or robin-hoods are counted as darts thrown and **cannot be re-thrown.**
- 19) A "bust" on dart one or two will be scored as three darts. Dart(s) are pulled and next round begins.
- 20) If someone gives up during a qualifying attempt, that leg and therefore the entire attempt is unfinished and ***may not be resumed*** later. The score sheet will be marked D.N.F. for the leg and the overall qualifying score will be recorded as a D.N.F. (Did Not Finish).
- 21) **Ties** ...Upon the final night of Qualifiers To determine the All*Star Team...On all tied qualifier sheets the lowest score in a leg of thrown darts out of your 3-game total will be used.
