The following items were discussed:

Treasurers Report – Tony DelMonte

Our account had \$1,504 in November. After receiving dues, 50/50 money, and add revenue \$6,929 was added. After expenses, we now have \$6,132 in our account. We voted to approve the treasurers report.

Membership – Dave Rowland

The MGA currently has 140 members. We had finished the last year with 167 members. Dave said to see him if you have not received a new handbook. Dave also said that everyone should have a name tag on their bag, and you should purchase one if you do not have one.

Rules Committee – Bill Schell

New 2019 rules will continue to be mentioned on the hill each week. Bill noted that USGA rules in the book state that there may be local rules that take priority over rules as stated in the new book. A new rule is that if your ball is in a sand trap, or a red stake area you can remove loose impediments but need to announce that to your competitors, and the ball is not allowed to be moved. Another new rule is that you can leave the flag in the hole while putting. However, after the putt you cannot have someone remove or replace the flag while the ball is in motion.

Registration Committee – Ron Dillon

If you would like to volunteer to help with registration each week, please contact Ron.
