

VETERANS OF FOREIGN WARS AUXILIARY WISCONSIN
EXTENSION/CHIEF OF STAFF

OCTOBER 2018

Many times as Officers and/or Chairmen of a VFW Auxiliary, you wear many hats.

You are the leader, the organizer, the doer, the person who has the **belief** that whatever project you are working on, can be successful and you convey this to the members of the Auxiliary.

SUCCESS HELPFUL TIPS:

Go to the VFW Auxiliary Website and click on Programs & Publicity Resources!
You will find material that will help you succeed in every program of our Auxiliary.

Don't forget to look at the SWAP section for ideas that other States are doing to promote Auxiliary Programs.

Have you used the idea of a "Welcome Bag" for new members? Your District President has a sample and your District Chief of Staff was also given ideas for a bag to share with you.

When an Auxiliary member has been an exceptional mentor to you and members of your Auxiliary why not nominate them for the "**Special Mentoring Award for Members**", Ambassador Carole Betro is offering? The nomination form is enclosed in this mailing. Send it to me by March 31, 2019.

BELIEVE YOU CAN DO IT
