CANADIAN SWIMMING RECORDS BROKEN AT BALLANTYNE PARK

Top-notch weather and an enthusiastic crowd combined to get the annual Canadian Swimming and Diving Championship off to a flying start at Ballantyne Park Pool in Dorval this week.

On Monday a new Canadian short-course record for the 1,650 yard freestyle event was set by 15 year-old Sandy Gilchrist of Ocean Falls, B.C. — his time, 18:24.7. The previous record of 19:02.3 was held by Bill Slater of Vancouver. Dan Sherry of the Hamilton Aquatic Club was second and Rod Govan of Etobicoke, Ontario, finished third.

On Tuesday, two more Canadian records were broken when Dick Pound of Montreal topped his former time of 1:55.2 in the men's 200-yard freestyle event, winning in 1:53.4, and Katy Campbell of the Canadian Dolphin Swimming Club from Vancouver took the women's 400-yard individual medley in 5:19.1.

Miss Campbell also broke her own Canadian record in the women's 200-yard freestyle competition, in the winning time of 2:09.1. Mary Stewart her clubmate, was also clocked at 2:09.1 but after a huddle the judges ruled that Miss Campbell had edged her by a whisker. Third spot in this event was taken by Susan Elliot of the Vancouver Amateur Swimming Club.

Another Canadian record went by the boards when Dick Gretzinger of Plymouth, Michigan, took the men's 400-yard individual medley in 4:49.9, breaking the old mark of 4:53.5 held by Ed Cazalet of Vancouver.

Bonnie Benson of the Etobicoke Memorial Aquatic Club, who holds the Canadian record of 1:13.6 for the women's 100 yards breaststroke, did not better her old mark but her time of 1:15.7 was sufficient to give her

first place in this event. Finishing second was Pam Wilson of the Dolphin Club while Sharon Spicknell of the London "Y" came in third with a time of 1:18.0.

In the three-metre springboard diving competitions, top honors were taken by Irene MacDonald of Vancouver with 124.97 points, and Ernie Meissner of Etobicoke with 134.45 points. Placing second and third respectively in the women's diving were Judy Stewart of the Scarborough Police Youth Club (109.58) and Lanny McPherson of the Vancouver Dolphins (93.95). Following Meissner in second and third spots were Tom Dinsley of the Vancouver Amateur Swimming Club (125.28), and George Huovinen of the University Settlement Aquatic Club, Toronto (101.95).

Results of the other scheduled events which took place on Tuesday are as follows: Due to newspaper deadlines, the Reporter was not able to list Wednesday and Thursday results this week — they will appear, however, in next week's issue).

Mens 100 yards Breaststroke: Dick Nelson, 1:03.4; Steve Rabinovitch, Palestre National, 1:04.5; Mike Chapel, University Settlement Aquatic Club, Toronto, 1:08.8.

CITY TO HOST INTER-TOWN TRACK MEET

For the last three years, Pointe Claire has emerged victorious in track and field competition on the Lakeshore, but will this be the case this year? Courtland Park in Dorval will witness the answer on Wed., Aug. 16, when the Lakeshore Playgrounds hold their 4th. Annual Inter-Town Track and Field Meet. Entered in this event will be close to 300 competitors from 24 playgrounds in Beaconsfield, Pte. Claire, and Dorval, and participants will be competing for the inter-town championship, as well as for inter-park and individual trophies.

The meet is open to boys and girls age 11-15 inclusive, and classifications are as follows: (1) junior — under 5'0"; (2) intermediate — between 5'0" & 5'4"; (3) senior — over 5'4". In addition, there is an open classification for boys and girls age 16 and over. The events include the high jump, running broad jump, sprints, shotputs (boys), softball throw (girls), relay races, and 1/4 mile run (boys open class).

POLICE RECOVER STOLEN CAR

Following a brief chase in Dorval two juveniles were stopped at 2:30 a.m. on July 31, by Constable G. Morin and Constable R. Renaud. They were driving a car stolen in Ville LaSalle and a quantity of money found in the car may be from garages in Pointe Claire which had been broken into. The youths were turned over to the Pointe Claire Police.

CONSTABLE E.KANE COMPLETES COURSE

Constable Eddie Kane has completed a course at Sir George Williams College. The course, sponsored by the Quebec Highway Safety League was designed to instruct High School Teachers how to teach driving to students. The aim of the instruction is to implement through Safe Driving Courses at the High School level, and it was a complete course in mechanics and driving instruction. Constable Kane, the only policeman with the group of High School teachers, came through the Course with flying colours.

Mary Stewart (on the left) and Katy Campbell, both of the Canadian Dolphin Swim Club, Vancouver, oblige the photographers just after they were both clocked at 2:09.1 in the women's 200-yard freestyle competition. However, the judges officially awarded first place to Miss Campbell, whose time surpassed her own previous Canadian record.

Sandy Gilchrist, who won the 1650 yard freestyle event on Monday, receives his medal from Clary Gray of Lakeshore Kiwanis. Gilchrist's time of 18:24.7 set a new Canadian short-course record for the distance. Also pictured here are Dan Sherry of the Hamilton Aquatic Club, who placed second, and Rod Govan of the Etobicoke Memorial Aquatic Club, who finished third.

Dick Pound of the Montreal Amateur Athletic Association is congratulated by Clary Gray, 1st Vice President, Lakeshore Kiwanis on his record-breaking time of 1:53.4 for the men's 200 yard freestyle event. On the left, in No. 2 spot, is Aidy Mainhard of the Vancouver Amateur Swimming Club (1:56.5) and on the right, Bill Campbell, third (1:56.9), also from the Vancouver Amateur Swimming Club.

HEALTH AND WELFARE

Old Age Assistance

Old age assistance payments have increased by 50%.

The maximum monthly payment was increased from \$46.00 to \$55.00.

Residence requirements were lowered from 20 to 10 years.

Income ceilings for single and married recipients were increased by 14% and 17% respectively.

Old age assistance payments in 1960 totalled \$30.3 million, compared to \$20.3 million in 1956-57.

Blind and Disability Allowances

Blind and disability allowances have been increased from a maximum of \$46.00 to \$55.00 a month.

Income ceilings for all categories of blind allowances have been increased from 8% to 14% depending on the category.

Income ceilings for all categories of disability allowances have been increased by 15%.

In 1957 the government provided \$2.9 million in blind al-

lowances. In 1960 the Conservative Government provided \$4.2 million - an increase of 44%.

In 1957 the government provided \$7.2 million in disability allowances. In 1960 the Conservative Government provided \$16 million - an increase of 122%.

Unemployment Assistance

For the first time, Canadians from 10 provinces and both Territories may benefit from an unemployment assistance.

Three years ago only the people from six provinces benefited.

In 1959, 123,445 persons from six provinces received assistance. In 1960, 303,083 persons from 10 provinces and both Territories received assistance.

Under a Progressive Conservative Government the scope of the assistance has been broadened. Three years ago, the federal contribution was 50% only of that proportion of approved provincial-municipal expenditures above a coverage level of 0.45% of the provincial populations. In 1960, under a Progressive Conservative Government, the federal contribution is 50% of all approved provincial-municipal unemployment assistance expenditures.

In 1959 a meagre \$7.9 million was provided. In 1959-60 \$40.2 million was provided by a Conservative Government - an increase of 408%.

PONTIAC 6 (766), and RAYMOND 1 (721). Other ANC listings are those of customers receiving service from exchanges opened since the last Montreal directory was issued.

Apart from the large number of ANC Listings, the major change in this year's Montreal directory is the separation of the introductory pages into French and English sections, on blue and pink paper respectively. This policy will also apply to future suburban directories in the interest of greater readability.

The Montreal introductory pages no longer contain telephone numbers of the various metropolitan police and fire departments and hospitals, since the list is considered too long to be helpful in an emergency. Instead blank spaces are provided - as in the local directory - for each customer to fill in the emergency numbers of his own municipality.

NEW BELL POLICY

Starting this year, telephone customers in Dorval are no longer required to return special forms to receive copies of the Montreal Alphabetical Telephone Directory, local Bell Manager R.C.B. Love announced this week.

Under a new Bell company policy, subscribers of all suburban exchanges having local calling with Montreal will automatically receive Montreal alphabetical directories on the basis of one book per customer.

Mr. Love stated that the demand for Montreal books is now such that it is more economical for the company to distribute them on a regular basis than to await requests from individual telephone users. He added that automatic delivery, which starts in this area next week (week of August 6), should find favor with all local subscribers.

The new policy accounts for a large part of the 60,400-book increase in distribution this year, which includes some 5,700 customers in the Dorval area. Last year's overall distribution figure was 713,600 copies.

The 1961 Montreal directory contains a total of 584,000 listings, including Dorval subscribers, up from 563,000 last year. Roughly one-tenth of these are in seven-figure form, known as All Number Calling or ANC.

Mr. Love said that since Dorval numbers will not be converted to ANC until next February - when the new Lachine - Pointe Claire - Ste. Anne de Bellevue directory is issued - they have not yet been altered in the Montreal book. They will appear in seven-figure form in the 1962 Montreal directory, however.

Most of the ANC listings in the Montreal directory result from the coming August 6 conversion of five exchanges to this form of numbering. The exchanges involved are Crescent 2 (which becomes 272), HUnter 4 (484), LAFontaine 5 (525),

Not too long ago, the Canadian Junior Chamber of Commerce came out with a stirring plea for Canadians to make more of Dominion Day, or "Canada Day" as it is becoming more and more known.

The Jaycees contend that Canadians pay too little attention to our national holiday, and they couldn't be more right. But the idea isn't exactly new with the bustling junior businessmen. It was advanced to me some years back by Ainslee Kerr, the Squire of Clement Avenue. Mr. Kerr, publicity man for the CNR, is also sometimes referred to as "The Honest Brakeman." He is said to have acquired that title by virtue of never having stolen a boxcar.

In any case, when Ainslee proposed a "Canada Day", his idea was that the day should be something more than just a tie-in with July 1. The patriotic Mr. Kerr believes that Dorval could take the initiative - a fitting role in regard to the city's standing as one of Canada's most progressive communities - and set aside a special mid-summer day at which time people would stick close to home and celebrate, by deed and by dedication, the privilege of being Canadians. On this day, suggested Ainslee, residents of all municipalities, at Dorval's behest, would suitably festoon their homes and places of business; perhaps set up park events and fireworks displays, and, above all, remain at home instead of running off to some far-away summer resort for the weekend.

In the case of Dorval, this makes a lot of sense, for no community east of Vancouver is more endowed with summer vacationland atmosphere and recreational facilities. And in the event of Dorval taking the initiative and promoting, say, an early August day for the event, there's a full year ahead to August, 1962, and a great deal could be done to sound out other progressive communities with a view to making Canada Day a semi-official national holiday.

It seems worth a try. June's Dorval Day merely celebrates the city's elevation to cityhood; Canada Day would represent a definite tribute to the Dominion on the part of the municipalities.

And with the Jaycees effectively sponsoring Dorval Day, Canada Day might loom as an ideal venture for the Senior Chamber. I commend it to their consideration with a bow in the direction of the ubiquitous Mr. Kerr.

It is a far cry from the day when Dorval was a missionary outpost. In 1668, just a little short of three centuries ago, the Abbe Francois de Salignac built the first local establishment at the foot of what is now Dorval Avenue, on the shore of Lake St. Louis. Originally named Gentilly, it was latter called "La Presentation" and it was not until 1961 that Dorval got its present name. This came about when the domain of La Presentation was sold to Jeann Baptiste Bouchard D'Orval.

More than a century after that, Dorval figured prominently in Canada's military history when, during the War of 1812, it served as a base of operations for an important detachment of British troops.

In 1892 Dorval was incorporated, became a town in 1903 and graduated to cityhood in 1956.

It's rather interesting to note that less than 50 years ago, in 1912, Dorval had a population of 1,200, but in the seven league boots department - take a look at the census of less than 10 years ago, 1952. The 7,500 souls of that not-too-distant time have grown to a lusty eighteen thousand!

Except for traffic hazards, the Lakeshore's a far safer spot today than it was in the long ago time of Abbe Francois and the first local mission. Mayor Pratt, for example, has historical records dealing with his nearly-three hundred-year-old lake front home.

The man who built the place was killed in the Lachine massacre!

Carolyn Kerr of the Dorval Recreation Association who placed fifth in the 170 yards backstroke for girls age 13 and 14. Her time of 1:22.4 was just 11.2 seconds off the winning time of 1:11.2 which was a new Quebec record for the distance. C.A. Barber Photo

Penny Fair For Lachine General

Thoughtfulness has brought its own reward to eight Lakeshore children who last week walked into Lachine General Hospital and donated \$10.11 cents to the general fund.

Last week, at the corner of 48th. Avenue, Lachine, the children set up shop with a bowling game, penny throw, bean bag and cold drink stall.

After a long morning's walk the eight - Linda Makarous and her brother and sister Anthony and Donna, Susan and Bobby Jones, Lois and Bernice Lockhead and Tommy Benson - led by Linda, dumped on an astonished receptionist's desk the money in dimes, nickels and pennies.

"Wonderful," said newly-appointed administrator W.W. Allison, who wrote them a letter of thanks.

Here is the sequel. Hearing of the children's work, Maurice Altner (of Bernard & Barry Shows), invited them all to a day out 'on the house' and the children, accompanied by two of the parents, Mr. Makarous and Mrs. Jones, had the time of their lives.

They were taken to La-Fleche for fun on the midway topped by the traditional ornate, hot dogs and cotton candy.

Hosts for the day were, in addition to Mr. Altner, was LaFleche Alderman Guy Charpentier.

IN FOCUS

By K. M.

SIDELIGHTS ON THE SWIM MEET: Having the Dominion Championships in Dorval has provided not just an opportunity to watch superlative competitive swimming and diving. The City has made the acquaintance of some fine young people from across the country. And our citizens, those who provided temporary accommodations in their homes, and those who have met them through the regular routine of the Meet are saying how friendly and full of fun they are. Nice to watch and nice to know! We will not realize for some time the full impact of this event in Dorval. In a hundred homes parents who watched the swimmers and divers practise are telling their children, "Do you see how hard they work to reach and keep their championship form!" The spirit of competitive top form swimming, and sportsmanship, already strong in Dorval, is going to be at a new height during the Dorval and the Lakeshore swimming Meets this year. And there will be new zest in the necessary training, due to the fine example of the swimmers who are presently our guests in Dorval. With good reason, there is new zest in our pride in Dorval this week.

SIDELINERS: A Club in an Eastern Canadian City, considering requesting the Championships for next year, has written to the D.R.A. asking what is involved in organization of the Championships. Two weeks ago the answer from the D.R.A. might have been a short telegram, "Don't do it!" But with the last details settled and the events smoothly underway the answer will no doubt be a detailed planning report from the efficient D.R.A. Directors who made such a good job of the event. Some small and large crises will never make the report — the joke about the 18 impending divorces of 18 D.R.A. Directors which during some stages of the Championship planning did not look quite so much like a joke — the very urgent special delivery letter of application from a swimming club which was dropped in error by the postman into the wrong house where the owners were away for two weeks — the case of the shipping clerk who told the president of a certain company supplying equipment for the Meet, "Okay, so the D.R.A. is in such a hurry for it, you ship it! I quit!" Only the happy endings will go into the report, how to get a record registration for a swimming meet, how to supply tickets, seating arrangements, crowd control, officials, living accommodations. And the Directors of the Club which sponsors the next swimming meet will just have to figure out for themselves how to get along with their wives and husbands while all this work is being done.

NOTEWORTHY: The Press, Radio, T.V. Conference was held at the home of Mayor John Pratt — The Provincial Government sent, upon request, some beautiful coloured brochures on the Province of Quebec for distribution among the swimmers and coaches — A special map given to swimmers of the route from H.M.C.S. Hochelaga and Cote de Liesse area, to Ballantyne Pool was reproduced from a sketch by Mr. M. Lachance (Benedict of the Dorval Reporter) who also drew the D.R.N.A. crest for use in the program — The Canadian Amateur Swimming Association, taking advantage of the fact that many of its members would be in the East at this time, held an all day meeting in Dorval City Hall last weekend and long sessions during the early part of the week. Mrs. J.R. Ballantyne was hostess at her home for the D.R.A. luncheon for the C.A.S.A. members.

BEHIND THE SCENES: The C.N.R. tracks were lifted between Lachine and Dorval station with great dispatch. This stretch of rough roadbed is already busy with traffic, giving an indication of the use to which it will be put — A delegation from the Dorval Catholic School Commission made a personal visit to Quebec to press for permission to build thirty rooms in the new High School. Permission has already been received for the 24 rooms. Dr. P. Paire, Chairman of the Commission, said that the request will not delay work on the High School which is going ahead. The granting of the extra rooms (up to 32) may be contingent upon agreements following a meeting of School Commissions from several surrounding municipalities without High Schools which took place in Dorval last week — Alderman Wm. Wilson has expanded the scope of Council Public Relations by organizing a Public Relations Planning Committee which has as its Chairman Mr. H.C. Curran, and includes Mr. J. Racine, P.M. Davis, and A. Kerr — Those of you who follow the health and "Keep Happy" philosophy of Jimmie Dorval will be glad to know he is out of hospital, feeling well and anxious to be back at work full time.

OTHER EVENTS: On August 13, G.P.O.X. Municipal Affairs 12:30 broadcast will be devoted to a discussion on Ragweed control. The active Beaconsfield Ragweed Control committee is very anxious that citizens interest themselves in this problem and have added this panel discussion to a long list of accomplishments this year. Speakers will include Dr. E.O. Gallen, Ass. Prof. of Plant Pathology, MacDonald College, and Dr. S.O. Freedman, Ass. Director, Allergy Department, Montreal Gen. Hospital, and the Town Managers of Pointe Claire and Base D'Orlé. Mr. H. McKenna and Mr. A. Dupont — A local man on Cloverdale phoned to say that the gardeners are great this year. He grew in his garden a strawberry which weighed one ounce. Weighed at St-Hubert before withering — The new look in country, one of the parks, which each clone a country to represent, turned out some excellent citizens of Dugatch. Another park represented Marineland with weird and wonderful mobile equipment. There was imagination and a touch in the big sign which indicated that Riverside Park represented Japan. It carried the most familiar symbol of all, "Made in Japan."

GENERAL NOTES: Overhead on the bus between H.M.C.S. Hochelaga and Ballantyne Pool, a pertinent remark from one of the adults accompanying Vancouver swimmers, as she observed the traffic along Metropolitan Boulevard, "I don't want to be on my side when I couldn't rent a car at the rental agencies yesterday!"

I.O.D.E. PARTY

To celebrate the fifth anniversary of the DeCouvilles Chapter of the I.O.D.E., Dorval, Mrs. J.P. Cooke, Founder Regent of the Chapter entertained members of the Chapter and the Lakeshore Senior Citizens Club and other guests at her home, 137 Beaconsfield Boulevard, Beaurepaire.

The Garden Party was a grand success, the weather being ideal for such an occasion. The highlight of the party was the beautiful birthday cake presented by the Regent, Mrs. D.O. Stapleton. Mrs. Barkin, President of the Senior Citizens Club, and Mrs. R. Paterson presided at the tea table.

The drivers of the transportation

for the Senior Citizens were volunteers and each Senior Citizen were presented with a small gift on leaving the party.

Mrs. Barker proposed a toast to thanks, on behalf of all those present, to Mrs. Cooke and the Chapter for the wonderful party.

KOOL AID SALE FOR S.P.C.A.

On Monday, July 24, two 7-year old boys, Ross Timell and Billy Coulthard, of Canary Road, assisted by Jan, Billy's sister held a Koool Aid Sale. After the sale which lasted for about one hour the kids turned the proceeds, 75 cents, over to one of the mothers to be given to the S.P.C.A.

"..... and the sooner the better," say Mrs. K.L. MacMillan (left) of Strathmore and Mrs. R.P. Brown of Dorval, both contributors to the Lakeshore General Hospital Fund. A newly erected sign on the Hospital property adjoining Beaconsfield Golf Club's fifth green reminds members of the request to help the Club's new neighbour in its Campaign for Hospital founding funds.

Lakeshore General Hospital Fund Report

Lakeshore General Hospital Fund officials reported this week that public subscriptions have now reached \$1,645,836.

This represents 66% of the \$2.5 million goal in subscriptions, from personal and corporate givings and some 1400 canvassers are continuing their efforts to complete their outstanding cards as rapidly as possible. Many thousands of dollars are still to be received, officials said.

J.M. Wells, Fund chairman, said this week that both Beaconsfield Golf Club and Royal Montreal Golf Club have broken tradition by commending the appeal, directing the attention of their members to it, and suggesting that they might wish to respond individually. In letters sent to their members, both clubs said that although it was not their policy to permit their members to be solicited for campaigns, the Fund was "of particular importance to Club staff and its members in case of accident or illness."

Mr. Wells reported that to date contribution from both of these sources have been most

generous.

The campaign chairman said he understood that guide poster signs, pointing the way to the hospital site, are to be erected, starting at St. John's Road and Maywood Ave. At the site, signs reading "site of hospital soon to be erected," will be placed facing Stillview

Ave., Pointe Claire.

"Our Campaign slogan has been 'we need a hospital, it's up to us'," Mr. Wells said. "Well, now it's really up to us to complete the campaign as rapidly as possible. The sooner we do, the sooner our signs will read 'site of hospital to be erected now.'"

Bowling And Golf Tournament For Dorval Playgrounds

This Friday afternoon Laurentian Lanes will be the scene of the Dorval Playgrounds first Inter-Park Bowling Tournament. Over 75 boys and girls age 10 and over are expected to participate in the event and trophies will be awarded for the boys' and girls' highest triple and highest single scores. Buses will be at the parks at approximately 1:00 P.M., and the competition will begin at 1:30 P.M.

On Monday, August 7, the 2nd. Annual Golf Tournament will be held at Golf Gardens. This competition is open to boys and girls age 12 and over, and takes place on the Par-3 Course. Prizes will be awarded for the lowest scores in both the boys' and girls' divisions, and competitors will be striving to better last year's winning score of 63. The first group is slated to tee-off at 10:00 A.M.

In the Inter-Park Junior Tabloid Meet held last Wed. July 26 at St. Charles Park, the team from Courtland Park captured the junior championship, while the Nihon Park competitors gained victory in the intermediate division. There were 174 competitors from eleven parks, and each participant competed in eleven events. Following the official opening by Mr. W.G. Millsom, Dorval's Pro-Mayor, and Mr. A. Samson, Alderman, a "Parade of Countries" began the activities, in which each of the parks represented a country and wore costumes accordingly. Results of the judging were as follows: best costumes - Walters Park as Frontier Land; most original - St. Charles Park as Mexico; most oriental - Riverside Park as Japan; most patriotic - Westwood Park as Canada; most humorous - Nihon Park as Fantasy Land; most refreshing - Surrey Gardens Park as Marine Land; most original sign - Courtland Park as Dogpatch; most courageous - Victoria Park as Mexico; most decorative - Oriole Crescent Park as Switzerland; best marchers - Ballantyne Park as Any Old Land; most participation - Neptune Park as Hawaii.

DORVAL LITTLE LEAGUE

Only two games were decided in the Dorval Little League during the past week, and team standings were all altered. The league-leading Senators continued their winning ways with a 7-1 trouncing of the Dodgers. Mike Spinelli pitched a brilliant game for the winners, allowing only two hits and striking out 15. Raymond Wray of the Dodgers also pitched well, allowing 7 hits and striking out 7.

The last place Red Sox showed that they haven't given up hope of reaching the four-team playoffs by beating Giants 5-3. Allan Hamer was the winning pitcher, allowing 5

hits, and Mike Brown gave up only 6 hits and in his losing effort.

In an uncompleted game, Giants and Braves fought through regulation time to a 1-1 tie. The two teams will go all out for a decision in a curtain-raiser to their regularly scheduled game Thursday night at Courtland Park.

You don't say, Lady Pamela!

Oh, but I very definitely do, Your Grace.

You mean to tell me this charming Lakeshore city has more to offer shoppers than, say, the "big city" stores?

Infinitely more, my dear. Why, I never go shopping in town anymore!

But it seems incredulous, Lady Pamela, that we might expect the same scope and quality in Dorval as we see, for example, on Bond Street or in Continental centres.

Incredulous but true, Claude. Y'see, most discriminating people have moved to Dorval from the hurly burly of the city, and Dorval merchants - charming chaps, by the way - have gauged both their quality and their prices to giving the very most for the very least. Really, dear boy, you must join me on my shopping tour today. You'll be jolly well astounded.

Capital! Lady Pamela, I'll call the coach and fours.

Nonsense, Your Grace. Let's walk. There's so much to see in the Dorval shops, one should take one's time.

SHOPPING IN DORVAL IS LEISURELY AND REWARDING. FOR REAL VALUES PATRONIZE YOUR DORVAL MERCHANT.

Competitors' Home Away From Home — H.M.C.S. Hochelaga

HEATHER MACLEOD of Shearwater, N.S., Mary Stewart of Vancouver, and Sharon Spicknell of London, Ontario, relax in one of the comfortable rooms assigned to them at H.M.C.S. Hochelaga. Chief Petty Officer Bennett, who was responsible for room arrangements, worked closely with Mrs. G. Townsend, Director in charge of accommodation for the Dorval Recreation Association.

One of the first arrangements to be settled in the planning of the Dominion Swimming and Diving Championships in Dorval was accommodation of the swimming at H.M.C.S. Hochelaga, through the kind permission of Commodore H.L. Quinn D.C.S., C.D., R.C.N., Senior Officer, St. Lawrence River Area, and Commander O. Cossette, C.D., R.C.N., Commanding Officer, H.M.C.S. Hochelaga.

The Fleet School, located only a short busride away in Ville LaSalle, has provided ideal living quarters for the swimmers, spacious buildings, park-like surroundings, and efficient Navy atmosphere. The swimmers have enjoyed, at a very modest rate, first class accommodation, excellent meals, and courtesy in the best tradition of the Royal Canadian Navy.

The cabins at H.M.C.S. Hochelaga accommodated from four to eight guests with the upper "deck" reserved for the girls, and the lower deck providing quarters for the boys. Meals were served Cafeteria style in a dining hall and assistance has been given during the week by six girls sent by the D.R.A. to help serve and clear the tables. Chief Petty Officer Vanasse, the Cook, would have been happy to hear comments of the Civilian guests who pronounced the meals

"terrific." Swimmers and Coaches were given advance copies of the menu list and meals were planned especially for the athletes. Lieut. Commander R. Leckie was Supply Officer in charge of providing for the influx of 175 swimmers who stayed on the base.

Lieut. Commander R.J. Edwards, C.D., R.C.N., Executive Officers, H.M.C.S. Hochelaga remarked that the arrangements had worked out for the Navy. Although space was available during this week, the Fleet School will be busy next week with 100 new entries, French-speaking boys who have joined the service and who will be taking English Courses.

Swimmers were allowed to use the gymnasium, and recreational facilities which include bowling. Only a few areas are marked "Off Limits." In a newsletter from the D.R.A., swimmers were forewarned that they could ignore some commands over the inter-com system which applied to Navy Personnel only; for example the "Lights Out" at 10:30 p.m. and fortunately, the "Wakie, Wakie" at 6:30 a.m. But it will be quite natural if, after four days of living "On Board" swimmers take back to their homes across Canada a fair navy vocabulary along with their ribbons, trophies and memories of the 1961 Championships.

ABOVE: Sheila Campbell and Ann Harvey of Vancouver are given service with a smile by L.S. Ck. William Cairns and A.B. Ck. R. Malo.

SWIMMERS prepare to board the special bus chartered to transport them between H.M.C.S. Hochelaga and the Ballantyne Park pool.

CENTRE: Chief Petty Officer J.M. Vanasse takes time out to chat with Ken McIliday of Saskatoon, Linda Wright from Greenwood, Nova Scotia, and Kathy Campbell of Vancouver.

BOTTOM: Tom McIntyre of Tulsa Oklahoma, is followed closely by Elaine Jacques of Toronto, Pat Huffman of Ocean Falls, B.C., and Barb Stephenson of Hamilton, as they queue up for chow at H.M.C.S. Hochelaga.

Montreal Ballet Panorama

Ballet students from Baie d'Urfe, Valois Park, Beaconsfield, Northview, Courtland Park, Surrey Gardens, Dorval Gardens, St. Veronica's and Meadowbrook Projects took part in the Montreal Ballet Panorama held recently in Montreal. Nearly 100 students study in these nine projects and they were well represented.

Edward Caton, a ballet teacher of world-wide reputation, visited the Panorama the first Sunday, and was so impressed he returned the following week. He told Eleanor Moore Ashton, Artistic Directress of the Montreal Ballet and the 52 Projects, that the classes here are unique in the world. As Mr. Caton travels extensively all over the world giving lessons, his appraisal undoubtedly merits acceptance. He added that its nearest approach is in Russia, insofar as the quality of teaching is concerned, but in that country the child is taken from its family about the age of eight and literally lives and exists on ballet thereafter. Mrs. Ashton does not hold with this view. "A child," she says, "Needs more in its life than ballet, and only the very rare one will emerge to want that exclusively."

Mr. Caton also remarked on the fact that the Montreal Ballet never "hangs on" to a child. "So many teachers are unwilling to let a promising pupil go on to higher studies, but I find that Mrs. Ashton is even willing to make the arrangements when she feels that a change will advance one of her girls."

More than 1000 children took part in the Panorama.

with the Senior Company was a stupendous undertaking and not enough credit can be given Mrs. Ashton for the hours she must have expended on the choreography alone.

It was really the presentation of the Senior Company, however, that brought thunderous applause from the audience, and here again, Mr. Caton remarked he had never seen anything of this nature before. Mrs. Ashton's choreography was designed to show how the technique is applied to dancing. The class had studied routines of various countries throughout the world, culminating in a dramatic adagio depicting the Jewish people's devotion to Israel, and their desire to conquer the soil and make it produce. It is to be hoped that the Company will find it possible to present this ballet again.

Many Lakeshore children have recently auditioned for Junior Ballet Classes. It is hoped to form a Regional Junior Ballet on the Lakeshore in the near future.
