

DTE, The Michigan Public Service Commission and Michigan Attorney General Bill Schuette say the Smart Meter will NOT save YOU money!

Only changing the way You Live, will save you money!

DTE's Mandated "NEW" Radio Frequency controlled two way communication, Data Collecting device called a Smart Meter has the potential to;

Destroy Your Constitutional 4th Amendment Right to "Reasonable Expectation of Privacy" says the CRS, Congressional Research Service of Congress May 3, 2012

Potentially harm each and every member of your House Hold with RF from the Smart Meters and Smart Chipped Appliances!

DTE admits to Potential Harm of RF; DTE, The Michigan Public Service Commission case U 17000, file 146, attachment (3), "There is, however, scientific consensus that for certain RF signal strengths there could be negative health effects."

How Much Radio Frequency radiation is TOO MUCH!

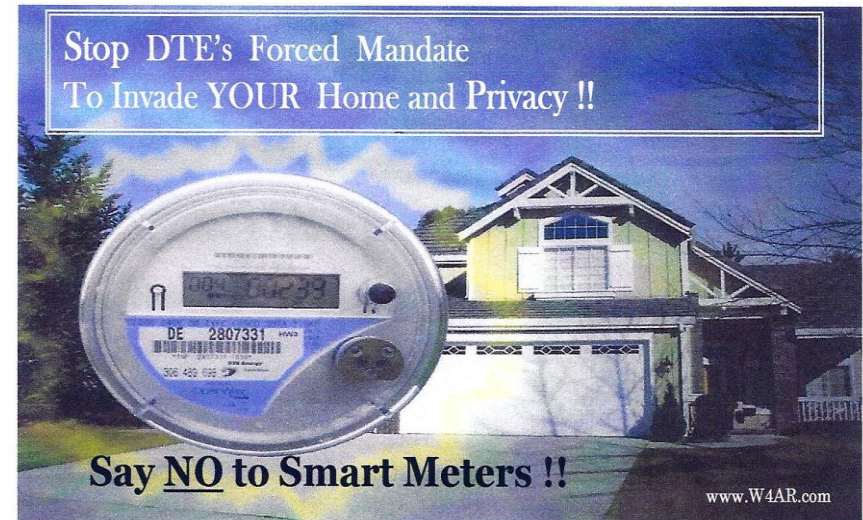

Fight Back! Demand to be Represented and Your Rights Protected!

File a complaint - with DTE (800-477-4747)

The Michigan Public Service Commission (517-241-3323) and the Michigan Attorney General (miag@michigan.gov) and call at 517-373-1110.

For more information on Smart Meters, See <http://www.w4ar.com/Smart-Meters.html> And

Contact John and Pauline Holeton at (586) 731-3314 for assistance!

MICHIGAN CONSUMER PROTECTION ACT (EXCERPT)

PA Act 331 of 1976 Section 445.903

445.903 Unfair, unconscionable, or deceptive methods, acts, or practices in conduct of trade or commerce; rules; applicability of subsection (1)(hh).

Sec. 3. (1) Unfair, unconscionable, or deceptive methods, acts, or practices in the conduct of trade or commerce are unlawful and are defined as follows:

The State of Michigan says it is UNLAWFUL - to USE Unfair, unconscionable, or deceptive methods, acts, or practices in the conduct of trade or Commerce!

Smart Meters are NOT Mandated - period!

The Analog Meter measured energy consumption only.

The Smart Meter can be a 2 way RF communication device, with 4 channels of data collection, with load limiting, load disconnecting and reconnecting means, capable of RF communication with Smart Chipped appliances in home, collecting life style personal consumption habits that will according to the Federal Congressional Research Service eliminate the need for search warrants of utility information when Smart Meter proliferation has been implemented and normalized nationally and the 24 hours a day, seven days a week Radio Frequency (RF) exposures in your home, with Smart Chipped Appliance communication, cross talking Smart Meter networking in LAN from home to home and collectors has not been proven to be safe with any long term studies.

**Analog Meters and Smart Meters are NOT the SAME !!!
It is against the LAW to -**

(a) Causing a probability of confusion or misunderstanding as to the source, sponsorship, **approval**, or certification of goods or services.
(e) Representing that goods or services are of a particular standard, quality, or grade, or that goods are of a particular style or model, **if they are of another.**

(i) Making false or misleading statements of fact concerning **the reasons for, existence of, or amounts of price reductions.**

NO Contract for "New Product" called Smart Meter!

(j) Representing that a part, replacement, or repair service is needed **when it is not.** (Forcing consumer to accept Smart Meter as Replacement)
The Analog meter was not broken, did not need replacement or servicing! It's about profit and control of Your Life!

No Consumer should be **forced** to accept a "new product"; Pay for it with hidden cost; Be exposed to possible harmful effects and loss of 4th Amendment privacy – **at the demand of a corporation!**
