

35-14-009 FL GA Teams

This was a Six Player Team format tournament using Count-All 100% handicap with no maximum combined team entering ringer percentage. Clubs from around the state of FL and GA submitted as many six player teams as they wanted to. The results by Team are listed at the bottom. Eleven Clubs participated with a total of 11 six player teams, for a total of 66 players. The entry fee was \$120 per team. The clubs competed for prize money, a Team Champion Trophy, and a Team Champion patch.

Players are seeded in class play based on their entering ringer average. The Team Winner is the team ending up with the most Total Team Points including handicap. Wins and losses are not considered in determining winners, only Total Team Count All Points. The handicap points were not computed by the HSMaster program and were not input into the HSMaster database. The handicap points were added to the individual players score and summarized by Team in an Excel spreadsheet program after all the games were completed.
