Angela Schmidt
Council-at-Large

Hello Fall!
I am really looking forward to apple picking and decorating pumpkins. A huge thank you to all who attended the grand opening of the Eastlake Senior Center. What an exciting event and we all had such a wonderful time. Talk about something for everyone! Where else could you work out, paint ceramics, shoot pool, read a book, catch a movie and take a class? What a great place to bring the community together.

I love shopping at and promoting local businesses. A personal passion is to encourage, support and see them thrive. If you have not checked out Missy's Plaza on Vine St. you don't want to miss all the deliciousness! Legends Bistro and I Love You to The Moon and Back Bakery will not disappoint. My personal favorite is Lagano Cafe because I love the baklava, so if you stop, grab me a piece!

For those feeling adventurous why not check out Paradiso Climbing Co-op indoor rock climbing on Curtis Blvd. A perfect indoor activity for our cooler fall days.

When Eastlake businesses are successful the whole community benefits. I will continue to keep you posted as I find more of these local gems.

Positively Eastlake,
Angela R. Schmidt

Hello Ward 4, some may have noticed some activity at surfside park. Ct is doing some Preliminary work, core drilling, to check the ground due to the fact that pool is still there, for the splash park project. This has been a very long slow moving project and is very preliminary but, finally some movement. The mayor, council president John Meyers and I have been working on this for a few years.

The Eastlake / Police Trunk or Treat event at the Lake County Captains stadium will be held on October 24. This a fun event where Police departments from around the county hand out candy at their cruisers.

Aid and Attendance Benefit: A Little Known Veterans Resource

While it is not as well-known as many other military benefits, the VA Aid and Attendance benefit provides much needed assistance to individuals who require the regular care of another person to help with bathing, meal preparation, dressing, medication monitoring and other activities of daily living. This tax-free benefit

is provided by the Department of Veterans Affairs and may be available to Veterans and their surviving spouses who live in assisted living communities, residential care homes and those receiving personal in-home care.

To qualify, a Veteran must have served at least 90 days of consecutive active-duty

service. He or she must have been discharged with any type of discharge other than a dishonorable discharge. They must also have served one day of active duty during wartime to be eligible for this benefit. Also eligible are Reservist or National Guard Veterans activated during wartime for 90 days and surviving spouses of Veterans if married at the time of their Veteran's death.

Eligible Veterans must be age 65 or older or totally disabled or a resident or patient in a skilled nursing facility due to loss of mental or physical abilities or getting Social Security Disability Insurance or Supplemental Security Income. For a surviving spouse, there is no age requirement.

As of July 1, 2021, the maximum Aid and Attendance

Benefits are as follows:

- Veteran: up to \$1936/month.
- Surviving spouse: up to \$1244/month
- Married veteran: up to \$2295/month
- Married veteran couple: up to \$3071/month

Proof of the need for assistance with activities of daily living is required. Certain income qualifications also apply, however most unreimbursed expenses such as insurance premiums, the cost of assisted living, nursing home, or in-home care can help reduce the counted income. Other qualifications may apply but each case is decided on the facts of the individual's circumstances.

For more information or help applying for benefits, please contact the Veterans Service

Commission in your county. In Lake County, Ohio, the phone number is 440-350-2904 or 1-800-899-5253. You can also visit their website at www.lakecountyohio.gov/veteran-services/.

Bankruptcy 101:

The Miracle of Bankruptcy

Bankruptcy is the most affordable, fastest working, constitutionally backed legal mechanism available for Americans in financial trouble. Most importantly, bankruptcy offers powerful protections to people that cannot be had in any other way. Some of those protections are as follows:

1.) Protection of Assets: Once a bankruptcy is filed the Court protects many assets from being taken. It also prevents garnishment of wages. In almost all cases we are able to keep a person in their home, keep their cars, and all of their personal belongings to name just a few of the benefits.

2.) Protection from Creditors: Once your bankruptcy is filed, you receive a legal protection called an Automatic Stay. This "stay" prevents creditors and debt collectors from making contact with or trying to collect money from you. The automatic stay will stop foreclosure, lawsuits, wage garnishments, vehicle repossession, utility shut off, license suspensions for uninsured accident damage to another motor vehicle and more.

3.) Discharge of Debt: Upon

completion of the bankruptcy your debt is eliminated and does not ever have to be paid back.

4.) Time to catch up on Payment: In many cases bankruptcy filers get a chance to catch up on payments that are overdue on your home, car, or other assets.

5.) Re-build Your Credit: Bankruptcy clears up and resolves your debt, judgments, delinquencies, foreclosure and other bad marks on your credit rating and gives you a "fresh slate" upon which to re-build your credit. It also prevents creditors from coming after you years down the line for debts that are labeled "write offs" or "charge offs" by the bank on your credit report but that, unknown to most, are still collectible.

6.) It Works Fast: We are able to stop creditor harassment, lawsuits, foreclosures, garnishments, repossessions and a whole lot of other problems FAST with bankruptcy. Bankruptcy is not like applying for a bank loan. It moves fast. The protections discussed can be used the same day we file. Some of these protections like stopping harassing phone calls are available immediately upon giving us money down for

representation.

Bankruptcy is about having peace of mind and relief now but it is also about financial planning for the future. It is about re-establishing credit, keeping the lion's share of your property and resolving all of your current debt and bad marks on your record so that you will be in good financial standing in a few years. It is about a fresh start in life. Everyone deserves a fresh start.

Even though a bankruptcy is technically public record, the fact that you are filing bankruptcy will only be known by a few people who you probably will never even come in contact with- let alone know. It is not published in the local

newspapers. The truth is that no one really cares whether you file bankruptcy anyway. They are too concerned with their own problems.

I have often stated that bankruptcy is an act of love to yourself and your family. You do not need to live in fear of debt collectors, lawsuits, losing your home or any of the other dreaded consequences of financial problems. You do not have to deal with the unbearable anxiety of financial stress. We cannot cure your cancer but we can cure your debt problems. We can help

you regain your peace of mind. It is important to remind yourself that financial problems are temporary. They come and they go. Your health is permanent. Do not allow yourself to lose your permanent health over your temporary financial problems.

Delchin Law offers to start bankruptcy protection and stop bill collector harassment for only three hundred dollars down. If you think Bankruptcy might be able to help you, please call us for a free, confidential, no obligation consultation.

September 15, 2018 is the Day the Dream Came True

When Sweet Magnolia Home Décor and More owner, Barb Auvil, cut the ribbon, along with city officials and excited vendors, she was realizing her dream of opening a vintage/antique/specialty store. The store at 32600 Vine Street in Willowick, has flourished in the past 3 years.

Sweet Magnolia customers are among the best in the area and have overwhelmingly supported the store, sent their friends and families, and are devoted to Facebook live sales which began during the pandemic and will start up again in October. They support Magnolia Market held

every other Sunday from May thru September which features vendors from surrounding communities and The Market Café where Barb and her hubby/staunch supporter serve up some really yummy grub!

Sweet Magnolia now is host to over 35+ vendors featuring vintage, antique, repurposed, handmade, artists and yummy

The World is Changing. Here's What to Do

The shortage of handymen and remodelers is real. Well the good ones we should say.

Times have changed for Monthly Upkeep- Eastlake's favorite handyman. "We have been able to grow significantly through the pandemic," explains owner Spensir Chappell.

Monthly Upkeep has been seeing many new customers calling to fix work recently

done by under skilled and incompetent contractors like never before. Here's what they are recommending, waiting for a reputable contractor is a significantly better option than choosing one out of desperation. Waiting may be required, but Monthly Upkeep Handyman Service will do the project right the first time. "It's really sad seeing these customers left

high and dry by some service providers," says owner Spensir Chappell. Coming into the situation to help customers makes Monthly Upkeep look like the hero. However, Monthly Upkeep is asking that their customers wait for them to have availability. This ends up saving their customers money and headaches. Hiring the wrong contractor can be a costly mistake. Monthly Upkeep has proven time and time again to come through for Eastlake Residents

Lake Humane Society Expands Cpl Joshua Harmon Pets to Vets Program

Lake Humane Society has expanded the Cpl Joshua Harmon Pets to Vets program by partnering with Veteran Canine Connection, a local nonprofit organization that connects Veterans with companion dogs. Dog trainers, who use

positive reinforcement methods, will help choose a shelter dog from Lake Humane Society that is a good fit for the Veterans they are working with. The dog will be adopted to the Veteran and then go through a 5-week training

program. Not only is the training program beneficial to the Veteran, the likelihood of a dog being returned to Lake Humane Society for behavioral reasons will be extremely low.

Veteran Canine Connection

will pay the adoption fee, supply 1-year of flea, tick and heartworm medications, provide veterinary care for the first year of the adoption and conduct the training at no cost to the Veteran.

"We are so excited to begin our partnership with Lake Humane Society. They are the first shelter to offer us a real commitment to help us to find the right dogs for our Veteran applicants. With their help, we hope to expand our presence in greater Cleveland and the surrounding communities. Together we will have the opportunity to meet the needs of our great Veterans by connecting them with shelter animals and ultimately enhance the lives of both the Veterans and their dogs," said Joan Tiefel, Director of Veteran Canine Connection.

The Cpl Joshua Harmon Pets to Vets program is part of a compassionate mission to protect animals and build connections between pets and people through advocacy and education. Cpl Joshua Harmon was a U.S. Army Soldier assigned to the 25th Light Infantry Division (nicknamed Tropic Lightning), 35th Infantry Regiment, 2nd Battalion. He served as a Combat Medic attached to the Scouts Sniper Platoon and received the Army Medal of Commendation of Valor for performing extraordinary life-saving measures. Additionally, Cpl Harmon was awarded the Combat Medical Badge and is a Bronze

Star recipient.

Joshua was deployed to Kirkuk, Iraq on August 5, 2006, serving in Operation Iraqi Freedom. When returning from a mission on August 22, 2007, Joshua, along with thirteen fellow soldiers, lost their lives when their UH-60 Black Hawk helicopter crashed in Multaka, outside of Kirkuk. Joshua was a Class of 2005, Mentor High School graduate and a devoted husband to the love of his life Kristin (Rathjen) Harmon. The Pets to Vets program was named after Joshua because of his lifelong love of animals.

"This partnership is a win-win for everyone. Our shelter dogs will find loving homes and Veterans will have a new companion animal that shows them unconditional love. We know that pets help alleviate loneliness, bring comfort and reduce anxiety. We are proud to be working with Veteran Canine Connection and excited to enhance the Cpl Joshua Harmon Pets to Vets program," said Lori Caszatt, Interim Executive Director at Lake Humane Society.

For more information on adopting a dog through Veteran Canine Connection, please visit veterancanineconnection.com, call 330-348-4000 or email joan@veterancanineconnection.com.

Blackbrook Audubon Society invites everyone to the "Amazing Galapagos" a free presentation by photographer Alan Studt and Gale Franko 7:00 p.m. Tuesday, October 19 at Penitentiary Glen's Nature Center in Kirtland.

They will take you 600 miles off the coast of Ecuador to the place where Darwin's theories were born and help you experience giant tortoises, prehistoric-looking iguanas, and other species found nowhere else on earth. The range of the Galapagos Penguin extends just beyond the equator, making this

penguin the only one to live in the northern hemisphere.

Participants can attend the program in person or register on the event page of blackbrookaudubon.org to receive a link to view the program live online. Refreshments will not be served at the in-person program.

Re-Elect

Mayor Dennis Morley

Thank you for your support the last 8 years as being your Mayor. I ask for your support the next 4 years. Though I am unopposed this year, I ask for your vote on November 2nd.

- 40 Year Eastlake resident
- Eastlake North Class of 1976
- Daughters Renee and Vicki Morley
- Former Councilman at Large and Council President
- Current President Lake County Mayors and Managers
- President of the Special Improvement District for Erosion Control
- Member Lake County Narcotics Executive Board

I will continue to work with my administration and Eastlake City Council to move our city forward.

We have increased our safety forces employees over the last 4 years to keep our city safe. We have hired 5 new EPD officers and added 3 more firefighters.

We have upgraded all of our equipment in Fire, Police and Service over the last few years.

Roads, Sewers and infrastructure will continue to be a priority along with bringing new business into our city. From 2016 through 2020 our income tax has increase about \$1.3 million dollars with new businesses opening.

There is always need for improvement. Vine street will continue to be looked at for improvements along with the improvements of the appearance of our city. We received a grant in 2019 that we are still working on with Willowick and Willoughby mayors. We had more events this year than in the past and will continue to schedule more in future years.

Thank you and hope to see you out in our community. I look forward serving you the next four years

Steve Douglas the owner of Mentor Window was asked about how they continue having such success in the home improvement industry. "We have crews that have been with us for decades, and we are very particular about the installers we hire. Laketrans is Helping Residents Vote with a Free Ride

Laketrans strongly believes transportation should not be a barrier to vote and will continue their Vote & Ride program for the fall general election allowing residents to ride the bus free to vote.

take Laketrans' Local Routes or schedule a door-to-door Dial-a-Ride starting October 5 to vote early at the Lake County Board of Elections or to their polling location on Election Day, Tuesday, November 2.

resident should have access to vote and we know that we are uniquely positioned to help get people to the polls," shared Laketrans CEO Ben Capelle. "Exercising your right to vote is one of the most important roles an individual can play in their community and Laketrans

wants to make sure that is possible for everyone."

Early voting begins Tuesday, October 5 and includes the Saturday, Sunday, and Monday before Election Day at the Lake County Board of Elections.

Polling locations in Lake County are open from 6:30 a.m. to 7:30 p.m. on November 2.

Residents who prefer to take Laketrans' Local Routes 1-9 simply need to inform their bus driver when they board that they are going to vote or just voted and the trip will be free. To vote early, Laketrans Routes 1, 4, 5, and 9 directly serve the downtown Painesville Transfer Center adjacent to the Board of Elections at 105 Main Street, Ste 107.

Dial-a-Ride, Laketrans' door-to-door service for seniors and people with disabilities, will also provide rides to early voting or polling locations at no charge and requires a reservation 1 to 12 business days

in advance. To schedule a Dial-a-Ride reservation, call Laketrans Customer Service at 440-354-6100.

Residents can also ride Laketrans free to bring their absentee ballots to the Lake County Board of Elections.

"The Board of Elections applauds Laketrans' decision to offer free rides to the polling locations on Election Day. Many Lake County residents rely on their services to help get them to and from doctors' appointments or their employers. We view the voting process as something just as vital to the everyday lives of our residents, so we are pleased Laketrans is continuing with this program," remarked Lake County Board of Elections Director, Ross McDonald.

For early voting times or to find your voting location, contact the Lake County Board of Elections at 440-350-2700 or visit their website at <https://www.lakecountyohio.gov/lakeelections/>.

Willoughby Lions Club Hosts Annual Sweetest Day Rose Sale

The Willoughby Lions Club has a long history of selling roses on Sweetest Day weekend. Sweetest Day is a holiday that is mainly celebrated in the Midwest. It began in Cleveland in 1921 and originally

involved gifting candy. Over the years other gifts such as cards and flowers joined the celebration. This year Sweetest Day is on October 16th. We will sell roses in front of the Willoughby Library from 8

a.m. to 6 p.m. on Friday, October 15th and resume on Saturday the 16th at 8 a.m. until we sell out. The roses are priced at \$20.00 per dozen.

Buying your roses from our

club is a win-win situation. You honor your loved one and we earn some money that we will use to help a visually-impaired citizen of Willoughby. We can help those who meet financial criteria with

eye exams, glasses, and sometimes with visual equipment. If you have any questions, please call PDG Lion Jim at 440-223-6138. Thank you to all who have supported us over the years

Applying early has its benefits as early applicants typically have a better chance to qualify for more grants. There are many forms of financial aid available – both state and federal – as well as scholarships. Regardless of which form of aid

the student wishes to receive, all are processed using the information provided by students and their parents in the FAFSA.

Once the FAFSA form is filled out, many students and their parents may still not be clear about the next steps. Because financial aid paperwork and jargon can be confusing, Lakeland offers "Verification + (Plus)," a service for enrolled students that provides one-on-one attention from a

staff member who will steer the student through the process to finalize and determine eligibility for financial aid.

For questions about financial aid, call 440-525-7070 or email

finaid@lakelandcc.edu. Please note: to add Lakeland as a college of choice in the FAFSA form, enter school code 006804.

Prospective students can visit campus or attend an information session. See details at lakelandcc.edu/visit.

The fall 2022 admissions

application is currently open at lakelandcc.edu/apply. For a limited time, the \$15 application fee is being waived.

Financial aid resources, videos and a list of available scholarships are available at lakelandcc.edu/web/about/financial-aid-departments.
