

VETERANS OF FOREIGN WARS AUXILIARY
VFW NEWS
APRIL, 2019

Has your Auxiliary made their donation to the VFW News for this program year? There is still a large number of Auxiliaries that have not made a donation per records at Dept. Treasurer Lenore's office. Remember checks are to be made to VFWA-WI and mailed to Dept. Treasurer Lenore at: 1383 W. Wisconsin Ave., Oconomowoc, WI 53066. Earmark checks VFW News. Donations are due at fifty cents (.50) per member based on your Auxiliary membership on June 30, 2018. We still need \$990 to meet the budgeted amount of \$4800 for this Auxiliary year. In reviewing records, I have found there are some Auxiliaries that did not donate in the previous year and I am asking them to double their donation at this time. It is the responsibility of every Auxiliary in Wisconsin to make their donation to this program as has been the case in years past.

Treasurer's, please check your records or contact me if you think you could be one of those that missed donating in 2017/2018. At Mid-Winter Convention, I gave a list of unpaid Auxiliaries to each District President. Remember, in order for your District to qualify for the drawing at June Convention, every Auxiliary in the District must have paid their donation and at the correct amount based on membership on 6-30-2018. Check with your District President or District VFW News Chairman to make sure your Auxiliary is paid. You do not want to be the cause of your District not qualifying for the drawing. Anyone making a donation over the .50 cents amount is very much appreciated. You can still make another supplement donation if your Auxiliary feels generous and can help this important program.

Did your Auxiliary submit any photo/news articles to the Wisconsin VFW News for publication? If not, why? Deadline for the May issue is April 15, 2019. Hopefully you still have time to get an item submitted so that your Auxiliary can enter into the drawing for awards and recognition at the 2019 Convention.

"Believe...We Can Do It" as we continue "Reaching for the Stars for Veterans"
