Dear Fellow Dog Lover,

Thank you for your recent inquiry about our training classes. We are very proud of our training club and hope you will decide to join us. Columbus All-Breed Training Club is a non-profit organization licensed by the American Kennel Club that has been operating in Columbus since 1953.

We currently offer two classes to train the general public, one specifically for training puppies and one for dogs over 4 ½ months old. Additional advanced classes in both obedience and agility are available after completion of the beginning series. Both the beginning class and the puppy kindergarten class are described below.

Please make note of the following important information that pertains to both classes:

- 1) Enrollment in each class is limited to 10 to 12 dogs or puppies. We cannot reserve a spot in class for you until we receive a completed application and payment in full. Classes normally fill up 1 to 2 weeks ahead of time.
- 2) No dog or puppy will be allowed in the building without a vaccination history (written proof, signed by your veterinarian that your dog or puppy is current on the required shots). You may bring the signed vaccination history with you on the first night of class or submit it in advance with your application. The vaccination history must remain "on file" at the club.
- 3) No refunds will be given after the first training night for puppy class or orientation for obedience.
- 4) We are located at 2164 Williams Road. You can obtain driving directions on our web site at: www.columbusallbreed.com. Please note your application will be received and processed more quickly if sent to the address listed on the application instead of mailed or dropped off at 2164 Williams Rd.
- 5) Handlers must be 12 years of age or older.
- 6) Our telephone number is 614-491-7407. Please call if you have any questions.

BEGINNING OBEDIENCE	\$100.00	Starting Date: 7	Γuesday.
		,	Wednesday,
		7	Γhursday,

This is an 8 week course designed for dogs that are 4½ months and older with a handler that is at least 12 years of age or older. The purpose is to teach you to train your dog. All of the basic obedience commands, such as heel, sit, down, stand, stay, and come are covered, as well as any particular problems you may be having, such as chewing, jumping up, or barking. You and your dog attend class once per week and then practice at home each evening. The first class begins at 6:30 p.m. and lasts approximately 2½ hours. You must be present on the first night or you will not be allowed in the class. Dogs do not attend this first orientation session. During the first night, you will be assigned to a regular class that will meet from then on for 1 hour each week beginning at either 7:00 p.m. or 8:00 p.m. Dogs are normally assigned to a class according to size, but, if you have a preference on time, we will do our best to accommodate you. You will be sent a reminder post card or e-mail approximately one week before the class start date.

WAIVER OF CLAIMS, ASSUMPTION OF RISK AND ACCEPTANCE OF FINANCIAL RESPONSIBILITY AGREEMENT

I, the undersigned, hereby acknowledge that I have voluntarily applied for dog owner/handler training, or related services, conducted by the Columbus All Breed Training Club. I understand and recognize that the Columbus All Breed Training Club is an all volunteer club, non-profit community service organization of individual dog owners dedicated to helping other dog owners learn about responsible dog ownership and canine good citizenship through training their dogs. I further understand and recognize that the Columbus All Breed Training Club is not, and does not purport to be, an organization of "professional dog trainers", and that the instructors supplied are unpaid, volunteers, and are not professionals in the field of dog obedience training.

I understand that participation in dog owner/handler training, or related classes, will necessarily expose the participants to certain risks. I understand that the dogs participating in the classes are untrained dogs, or dogs whose training has not yet been completed, and that the Columbus All Breed Training Club does not, and cannot, warrant the behavior or temperament of any dogs participating in such classes, nor can it warrant the behavior or experience level of the owners/handlers of such dogs.

I fully understand that these risks include, but are not limited to, the following representative examples, which are not intended to be all inclusive: the risks of the owner/handler and dog being bitten, scratched, tripped, attacked, frightened, knocked down, or otherwise injured by other dogs in the classes, by the owner/handler's own dog, or by other participants in the classes; the risks of tripping over or sliding upon floor matting, dogs or dog training related objects, or slipping on any solid or liquid waste matter, or colliding with dogs, other human participants, dog training equipment or building parts, including but not limited to walls, doors, support beams, gates and/or fences. In signing this document, the undersigned hereby acknowledges that I am fully aware that such risks exist, that such risks are an inherent part of dog owner/handler training or related classes. As a result thereof, I voluntarily, freely and knowingly assume all such risks, both express and implied, whether or not specifically enumerated above.

In partial consideration of the opportunity to participate in dog owner/handler training classes or any other Columbus All Breed Training Club sponsored activities or events, I hereby agree that I, my heirs, distributees, guardians, legal representatives, and assigns, will not initiate a claim or legal action against, or otherwise sue, or attach the property of, the Columbus All Breed Training Club or its officers, directors, instructors or members for any injuries, deaths, or property damage suffered as a result of participation in such classes, activities or events within the scope or the risks herewith voluntarily and knowingly assumed. This agreement includes, but is not limited to, my voluntary waiver of any and all claims, suits or causes of action based upon the afore-stated risks herein voluntarily assumed.

Moreover, and furthermore, in partial consideration of the opportunity to participate in dog owner/handler training classes or other Columbus All Breed Training Club sponsored activities or events, I hereby release the Columbus All Breed Training Club, its officers, directors, instructors, and members, from all responsibility in case of injury, death, loss or damage to myself, my dog, or any property which may be incurred during, before after training sessions, or any other Columbus All Breed Training Club sponsored classes, events, activities, or any other functions, when caused by other class, activity, event or other function participants or by my dog. I will not hold the Columbus All Breed Training Club, its officers, directors, instructors, or members, legally or financially responsible in any such matter. Further, in recognition of the all volunteer, non-profit amateur status of the Columbus All Breed Training Club, I hereby agree that I will not hold the Columbus All Breed Training Club to the same standard of care as may be required for professional dog trainers, or professional dog training facilities.

Should I personally, or my dog or dogs, or my minor children, be the cause of any injuries, death, loss or damage to persons attending, viewing or instructing the Columbus All Breed Training Club training sessions or any other Columbus All Breed Training Club sponsored activities or event, or to any property owned or leased by the Columbus All Breed Training Club, I will accept full responsibility under the laws of the State of Ohio, and shall promptly and fully compensate any and all victims of such injuries, deaths, losses or other damages to the full extent provided by the laws of the State of Ohio. I further understand, that under no circumstances, will the Columbus All Breed Training Club, be legally responsible for any negligence on my part, and I hereby agree to fully indemnify and defend the Columbus All Breed Training Club, its officers, directors, instructors or members from any and all acts of negligence or intentional misconduct, on my part.

I further agree to save, defend and hold harmless the Columbus All Breed Training Club, its officers, directors, instructors and members, from any claims, suits or other actions resulting from the damages, losses, injuries or death, caused by my dogs or by me personally, or my minor children. I further agree that should it be necessary for the Columbus All Breed Training Club, its officers, directors, instructors, or members to sue or to take other legal actions in order to enforce this agreement, that I will agree to pay all reasonable legal fees, court costs, and related costs necessitated by such enforcement action. It is my further understanding that this waiver of claims, assumption of risks and acceptance of financial responsibility agreement, shall be construed pursuant to the laws of the State of Ohio, and I hereby agree to be bound by its terms.

I further understand that these training classes do not guarantee the performance or behavior of the dogs under any circumstances, and they are offered strictly as guidelines to the owner/handler in order to provide a community service, for the better interests of dogs and dog owners alike.
