NEW FOR 2018!

BRING A FRIEND PROMOTION!

For new reservations booked on or after January 1, 2018, clients can earn credits towards that vacation by bringing a friend along! *

Here's how it works:

Once your vacation is confirmed and deposited, add a new reservation of travelers duplicating your itinerary and receive a credit towards your vacation as follows:

- **For vacations of 4 days or less, receive a credit of \$25 for each new reservation added up to \$100. For cruises, the credit will be in the form of an On Board Credit.**
- **For vacation of 5 days or more, receive a credit of \$50 for each new reservation added, up to \$200. For cruises, the credit will be in the form of an On Board Credit.**

Terms and conditions include but are not limited to:

- **Valid for new reservations only, booked on or after January 1, 2018**
- **Void where prohibited**
- **Can't be used with any other promotions, unless otherwise stated**
- **If two reservations are being booked with the initial vacation, the credit is earned when a 3rd reservation is added. The credits can be split between the two initial vacations.**
- **Credits are non-transferable, and can only be applied to the initial reservation**
- **Changes to any reservation including cancellation under the credit umbrella will void the credit**
- **Not valid for groups unless otherwise specified**
- **Other terms legally enforceable**
