CHAIR'S CORNER

by Tom Watson

One of ASQ's strategies is the Gift of Quality. The goal is to enhance the ASQ brand by supporting the use of quality to make the world a better place. In order to meet this goal, our 2018 objective was to Implement ASQ Section 0915 Scholarship. We have distributed ASQ scholarship information to local area high schools in January. We received numerous applications and the Leadership Team met several times to review each one. We used measurable scoring analysis, which was put together by our Arrangements Chair Mike Soellner, to select a winner. The winner and their family will be attending our May dinner meeting at the Log Inn. The scholarship winner will be reading their essay on what quality means to them. We will also be presenting the scholarship award to the winner. The dinner meeting is on May 8, 2018 and starts at 5:30 PM CDT. Please show your support and try to attend the meeting. This is one of the ways ASQ supports our local communities.
