

*Cedar Lakes Woods & Gardens*  
4990 NE 180<sup>th</sup> Ave | Williston, FL 32696

### *Mission Statement*

*To instill in visitors respect and appreciation for environmental stewardship through inspiring the public with artistic botanical creations. The Gardens promote peace, humane education, animal rescue, and environmental preservation.*

*The incredible vision of Dr. Ray Webber and many years of dedicated labor have resulted in the establishment of a 20 acre botanical garden with over 50 separate garden displays, several waterfalls and koi ponds, and countless breathtaking views. Surrounding the gardens is a 54 acre conservation easement, maintained by the Conservation Trust for Florida.*

### *What we offer:*

*Daily admission to the gardens includes a full day pass to enjoy trails, gardens, and scenery. Visitors are welcome to bring their cameras and a picnic. Guided tours are available by appointment only. Cedar Lakes also hosts several events throughout the year, including education workshops, a spring festival, and others. The Gardens are an exceptional venue for private events and weddings.*

### *Donations:*

*Cedar Lakes Woods & Gardens is a 501(c)(3) non-profit botanical garden and all contributions are 100% tax-deductible. Donations are greatly appreciated and necessary for continuous improvements to the organization. All donations are applied toward garden enhancements, development of humane education programs, and animal rescue and care.*
