

“BLUE COLLAR CONSERVATIVE – Recommitting to an America that Works”

Comments to Rick Santorum for May 30, 2014, by Michael Joseph Kearns, c/o 9739 Hidden Falls, San Antonio 78250, Texas United States, 210-523-7154, are in **BOLD CAPS.**

“During the 2012 campaign, Santorum often mentioned a flaw to the theory about a rising tide raises all boats. Some boats, he would say, have holes in them – holes like unemployment and underemployment, lack of education or skills or an unstable family situation. In **Blue Collar Conservative**, Santorum expands his concerns about how the GOP must be the party of everyone, how the GOP must be concerned about the people who have holes in their boats, and how the GOP must have a plan.”

MY EXPERIENCE TELLS ME THAT 99.99 PERCENT OF ALL AMERICANS HAVE A HOLE IN THEIR POLITICAL BOAT, INCLUDING THE WEALTHY AND THE POWER ELITE.

=====

“While the national media pigeonholed Santorum as the “social conservative” candidate who was only concerned about abortion and traditional marriage, he held forth at some 380 town hall meetings while on the campaign trail in Iowa talking about business and manufacturing, trade and the U.S. economy, income and corporate taxes, and national security. Nevertheless, the national media painted him as a one-trick social conservative pony and they failed to understand his message about how the well-being of the nation is predicated on the well-being of the family.”

MY COMMENT IS: THE FATE OF THE REPUBLIC DEPENDS ON HOW EACH INDIVIDUAL AS ONE OF THE “PEOPLE OF THE UNITED STATES” ENFORCES THEIR OWN PERSONAL POLITICAL “REPUBLICAN FORM OF GOVERNMENT.”

=====

“The government’s ‘safety net,’ as the metaphor implies, is intended to catch us when we fall and help us bounce back to a position of safety ready to continue life’s climb. It has evolved, unfortunately, into a hunter’s net that ensnares the vulnerable, robbing them of their dignity and trapping them in generational poverty and hopelessness.”

MY COMMENT IS: THE HUNTERS NET THAT ENSNARE'S THE VULNERABLE, ALSO ENSNARE'S THE RICH AND POWERFUL BY INTRINSIC FRAUD BY OMISSION AND DEPRIVES THEM OF THE REAL OPPORTUNITIES OF THE SAID UNITED STATES.

=====

"Santorum takes on our failing public education system and debunks "Common Core" as "just a revised version of mass-produced education." Our primary, secondary and post-secondary education systems are in need of reform and Santorum's proposals offer a solid place from which to begin the conversation."

MY COMMENT IS: THE PRIMARY JOB OF EDUCATION IS, TO INSTRUCT INDIVIDUALS WHAT THE MEANING OF "FREE SOVEREIGN AND INDEPENDENT" REALLY MEANS, WITH GOVERNMENT WEARING TWO HATS AT ALL TIMES;

**ONE, FOR PERFORMING "ESSENTIAL GOVERNMENTAL DUTIES" FOR THE "PEOPLE OF THE UNITED STATES", AND,
TWO, TO PROVIDE ADMINISTRATIVE DEMOCRATIC CROWD CONTROL FOR THE "INHABITANTS OF THE UNITED STATES" (COMMON HERD) AND TO COLLECT TAXES FOR THE CROWN OF GREAT BRITAIN WITH THE PAYMENT OF THOSE TAXES TO THE CROWN OF GREAT BRITAIN, FROM THE "INHABITANTS OF THE UNITED STATES."**

=====

"Quoting from Thomas Jefferson, "What more is necessary to make us a prosperous people? ... [A] wise and frugal government ... which shall leave [men] free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned," *Blue Collar Conservative* is a concise, easy to read treatise on Santorum's vision for limited government."

MY COMMENT IS: MR SANTORUM HAS IT BACKWARDS, THE "FREE SOVEREIGN AND INDEPENDENT" "PEOPLE OF THE UNITED STATES" WILL COMMAND THE GOVERNMENT TO BE FRUGAL WITH THE WISDOM OF A "FREE SOVEREIGN AND INDEPENDENT" PEOPLE TRANSLATED OVER TO BECOME THE WISE POLICY OF THE GOVERNMENT.
