**PENTECOST SUNDAY**

We welcome you to join our congregation of Saint Paul! Registration forms are available at the back of the church, near the entrance or contact Rae Crozier for more information.

*And when the days of Pentecost were drawing to a close, they were all together in one place. And suddenly there came a sound from heaven, as of a violent wind coming, and it filled the whole house where they were sitting. And there appeared to them parted tongues as of fire, which settled upon each of them. And they were all filled with the Holy Spirit and began to speak in foreign tongues, even as the Holy Spirit prompted them to speak. Amen. †*

## THE SANCTITY of LIFE

The Roman Catholic Church has consistently condemned abortion the direct and purposeful taking of the life of the unborn child. In principle, Catholic Christians believe that all life is sacred from conception until natural death, and the taking of innocent human life, whether born or unborn, is morally wrong. The Church teaches, "Human life is sacred because from its beginning it involves the creative action of God and it remains forever in a special relationship with the Creator, Who is its sole end. God alone is the Lord of life from its beginning until its end: no one can under any circumstance claim for himself the right directly to destroy an innocent human being" (*Donum Vitae*, 5).

## OUR CHURCH IS GETTING A PARTIAL NEW COAT OF EXTERIOR PAINT

We received permission from Father Dave to go ahead and contract a new coat of paint for specific exterior areas of our church. Only the **front wall facing Main Street, the south exterior wall along the driveway and all the eaves** will be painted.

The walls will retain basically the same current color as the south wall and the eaves will be painted a more subtle, lighter color versus the current deep chocolate brown. The project is expected to take place near mid-July.

Father Dave and the Diocese reiterated the importance of maintaining our building by doing all we can to repair and upgrade our facility because it will continue to serve as our place of worship for many more years to come. Money from generous donations will be used to pay for the project.

### Romans thought Christians were cannibals!

To dissuade the empire from entering Christianity or pitying followers, Roman leaders actively defamed Christians by spreading misleading rumors (*sounds familiar*), one of which claimed Christians were cannibals. In the New Testament of the Bible, Jesus broke bread and shared wine with his disciples in what would be known as the "Last Supper." They consumed the body and blood of Christ...thus, fake news, cannibalism!

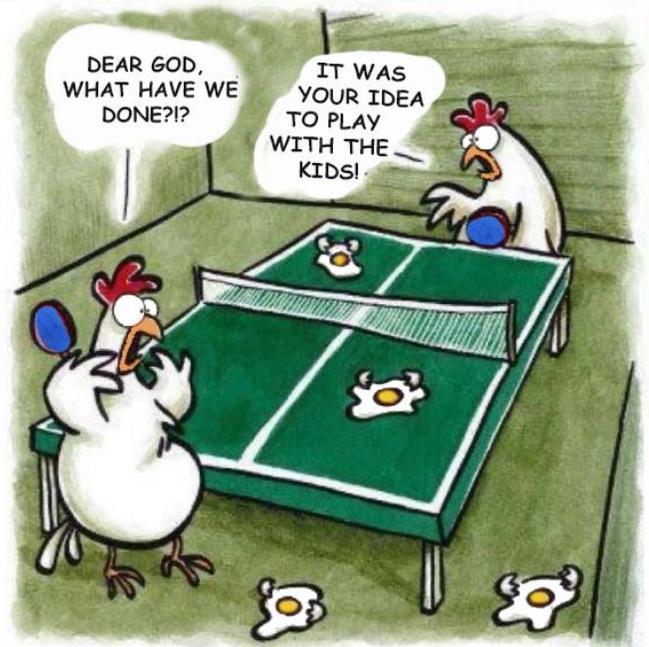

PLEASE SIGN UP AND VOLUNTEER TO HELP PROVIDE SNACKS OR TREATS FOR AFTER MASS. THE SIGN-UP SHEET IS AVAILABLE IN THE KITCHEN. THANK YOU!!

### A LITTLE SUNDAY HUMOR! Provided by: Steve M

★ I got up at the crack of dawn today, ran 5 miles, got back to the house, fixed myself a high protein, low carb smoothie for breakfast...and dang if I can't remember the rest of the dream!?" 😊

★ My wife didn't order anything from Amazon yesterday, so the UPS guy knocked on our door today to see if we were okay! 😊
