94.5 FM

Market

Walla Walla Valley

Population in Coverage

161,000

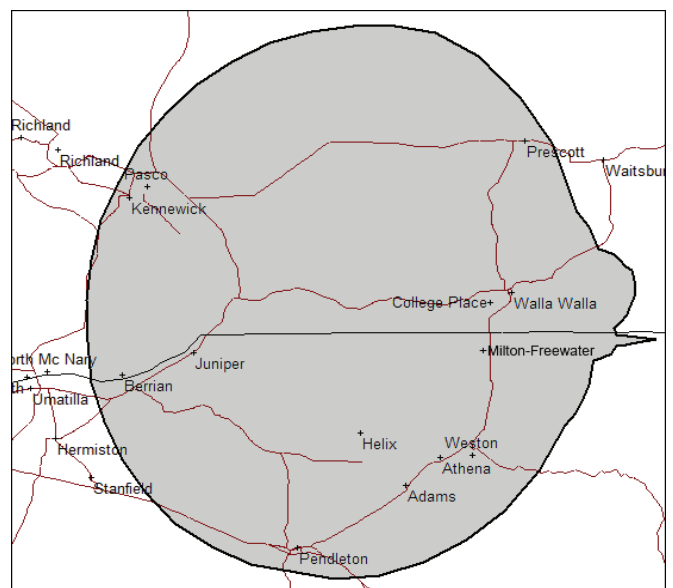

Format

70's Hits

Sunny 94.5 is the Walla Walla Valley's station feel good radio station. We focus on the upbeat songs of the 70's. Don't you dare call our music oldies! Sunny is the place for The Eagles, Fleetwood Mac and The Steve Miller Band, mixed with Abba, The Bee Gees, and Donna Summer plus those great "one-hit wonders" that made 70's music great.

People who are in their 40's and 50's now grew up with this music. They're happy to hear their music on the radio again and they'll reward your business as a result when you place your advertising on Sunny 94.5. But age is just a number. Sunny 94.5 is for anyone who wants fun, feel good music on the radio, and it's as close a button on your radio.
