Motion to approve March minutes by Darlene Creasman 2nd by Charlie Moore and group approved.

Treasurer's report by Gary Reynolds Motion to approve by David Logan 2nd by Tana Ellis and group approved.

Mention was made that the Veitnam Memorial Wall is coming to Crystal River.

Trails – if you see trails destroyed let Sally know. Gloria reported that the El Dorado trail going to Tillis Hill is awful with roots sticking up everywhere. If you see trails that have been repaired, let Sally know about that also.

Janet Day was presented with a FF BCH T-shirt in recognition of her efforts on organizing the trash pickup days and organizing a picnic table work day. We have 5 ready to go. There was a question about what happens to the picnic tables when forestry burns. We just hope for the best. Volunteers could go out and rake around tables to keep them from burning.

There is some painting of trees that still needs to be done. Even if you only volunteer a couple hours a couple days a week. You can call other individuals to go with you as there should always be two people at least I (in case of an emergency). Any effort is appreciated.

Gary and Charlie mow Turkey Oak and Thunder Road. Our permits allow us to take vehicles on the trails (4 wheelers) just call forestry to let them know your intentions. Give them your phone number so if there is a planned burn or some other event, you won't get caught in the middle of it.

Tana Ellis stated that the hack line lady is back in business. If you see new trails being cut or evidence of people riding on the hiking trails let Sally know.

Carol Christof mentioned that there is a lot of traffic at night going in and out of the RR bed off of Scotch Lane. She was advised to call Lita to complain.

50/50 drawing \$71 won by Faye Durrett.

Drawings for several items.

Meeting adjourned at 1:31 PM
