

Jeopardy Games

The children at KIDS ZONE at the United Methodist Church of Plano competed in “Jeopardy” on March 5 during their Sunday School time. Children were presented clues in the form of answers to Bible lessons learned during the last 6 weeks and then buzzed their answer with questions. If they answered correctly, they then earned a “Bible Buck” which they in turn could buy prizes. Julie Jeffries coordinated the games and ran the games like the TV show.

This event served as a review of the previous Bible lessons, a fun event for the kids, and using their Bible Bucks for prizes. Pictured are 3 of the children ready with their buzzers and Mrs. Jeffries reads an answer from the Jeopardy board.
