

Mayor's Report

Robert Fiala Mayor/Safety Director

With the continued rollout of the COVID-19 vaccines, we are encouraged that we may begin to return to normalcy over the summer.

Yard waste pick-up began as of April 1st. Pick up will be the same day as your trash collection and yard waste needs to be in brown, 50lb kraft bags or a container marked "Yard Waste".

Also, with the beginning of our lawn maintenance season, please remember not to blow grass clippings into the street. These clippings can find their way into our storm sewers, possibly causing sewer back-ups.

The Market is Coming! The Market is Coming!

By Maureen Gregory

"April showers bring May flowers" is a favorite saying this time of year. It provides the anticipation of something wonderful to come. Well, something else wonderful is coming in May - the Willoughby Outdoor Market!

The Market will be welcoming back many of your favorite vendors and some new vendors, as well. If you want fresh, local produce, baked goods, mushrooms, pickles, meat, coffee, honey and maple syrup, then join your neighbors and friends for a

community shopping experience. The Market also caters to customers looking for healthy pet treats, plants, hand-made greeting cards, seasonings, jewelry, crafts and self-care products.

The Willoughby Outdoor Market is brought to you by Heart of Willoughby ("HOW"), a non-profit group of volunteers with a mission of maintaining and improving the downtown Willoughby area since 1979. It is Lake County's longest running market and is held every Saturday morning from May through October (rain or shine) at One Public Square, more commonly known as City Hall

parking lot. You can learn more about HOW on their web-site at heartofwilloughby.com and on Facebook at Heart of Willoughby and Willoughby Outdoor Market.

Due to COVID health guidelines, the Lake County Health Department requires anyone ten years or older to wear a mask while in public. Please maintain a six-foot distance between others and do not congregate in groups larger than ten people.

Start the Spring season off on the path to fresh and local, and come see what the Willoughby Outdoor Market has to offer!

Pick It Up Willoughby: Helping Keep Our City Clean

Pick It Up Willoughby is a new city cleanup initiative created by The Bar Athletics in collaboration with The Heart of Willoughby, Willoughby Arts Collaborative, Willoughby Clean City and City of Willoughby.

Downtown Willoughby is a

beloved part of our community, and it needs our help to look its best!

The cleanup will kick off on Saturday, April 17th, at 10 am. Participants should meet in The Bar Athletics parking lot located at 38016 Euclid Ave.

From there, groups will head out

in teams to pick up trash and debris in the DTW area. When folks have worked up an appetite, they can grab a bite at Willoughby's own Hungry Food Truck which will be parked nearby.

Anyone who has some extra energy can join in an all-levels

community workout hosted by The Bar (details TBA). Anyone who lives, works, or plays in the area is invited to take part in the event.

The Bar Athletics and their partners want to encourage people to take an active role in maintaining and improving our community

and hope it inspires them to take this initiative into other local neighborhoods.

For more information, visit TheBarAthletics.com or any collaborating organizations' Facebook pages and click on upcoming events.

of-ways or utility easements is also not permitted.

As we venture outside with our pets, please remember that dogs must be on a leash at all times, and don't forget to pick-up after your pets.

We are happy to announce the long-awaited repaving of Lakeshore Boulevard will begin in July and the repaving of Route 84 starts in early April. Both of these road improvements are ODOT sponsored, and please check our website for any traffic and project updates.

The Downtown Farmers Market begins on May 1st and is held each Saturday from 8:00 am to 12:00 pm through October. This market is sponsored by The Heart of Willoughby. The Lakefront Market and Flea, sponsored by the Willoughby Lakefront Business Association, is scheduled to begin in June and is held each Wednesday from 4:00 pm to 8:00 pm through September.

With the guidance provided by the State and the Lake County General Health District, we are planning our traditional summer events and activities. We are also making plans to open one and possibly both pools this summer. Over Memorial Day weekend, we will open Osborne Park Pool for recreational swimming. The Euclid Avenue Pool will not open to the public immediately due to the severe shortage of lifeguards.

We will use this pool as a training site for lifeguards with the hope to open the Euclid Avenue Pool by late June.

The city has a formal process for solicitor permits. The process includes an application and background check for anyone applying for a permit. It also requires a city-issued photo ID to be worn outside of his/her clothing and be visible at all times. A list of approved permits

and details of the permit process is available on the city's website. We encourage our residents to notify the Willoughby Police Department to report anyone not wearing the city-issued identification.

Finally, we hope the better weather and continuing good news about the pandemic will bring us back together to enjoy the great summertime activities our city offers.

Top Reasons Why Lakeland Appeals to Students of All Ages

Lakeland serves many students who have job and family commitments that need to come first. With flexible options such as online, hybrid and night classes, most are able to pursue their dream of earning a college degree at their own pace.

Additionally, many students can utilize summer classes as a way to catch up or get ahead.

Here are some other top reasons students of all ages choose Lakeland:

1. 100+ program choices
2. Tuition is one-third

the cost of four-year public universities

3. Credits transfer to Ohio public universities

4. Accredited college with faculty experts

5. Smaller classes allow for more personalized attention

6. Flexible class options like nights, online and hybrid

7. Safe and clean campus

8. Bachelor's degree options through Lakeland's Holden University Center

9. Support services: free tutoring, veterans center, online support and more

10. Successful grads: 96% find employment or go on to further their education

Virtual visits are available. Go to lakelandcc.edu/visit for dates.

For those who previously

attended Lakeland, whether it was last year or 10 years ago, they may contact the student service center at 440-525-7050 or sscenter@lakelandcc.edu to see how to start back up in college where they left off.

Summer registration is now open. Applications are being accepted for both summer and fall, and for a limited time the application fee is being waived. Visit lakelandcc.edu/apply. The last day to apply for fall semester is Aug. 13.

“ I want an educational opportunity that leads to a good job. ”

THIS IS YOUR HOW

With a wide range of resources, plus a network of university partners, Lakeland Community College builds bridges and opens doors to a world of possibilities. We'll help you design a path that aligns with your needs as well as your goals.

Bankruptcy 101:

You are Not Your Credit Score

Question: What is your credit score and why do the lenders make such a big deal about it? How will it affect me in these times?

Answer: Back in the 1950's a company called the Fair Isaac Corp. (FICO) developed a formula which was marketed as a way for lenders to realistically evaluate their risk with regard to lending to a specific person. FICO assigned mathematical quantities to patterns of behavior (like how often one pays late, whether they have unsatisfied legal judgments, etc.) and computes those quantities into a numerical risk factor which is known as our "credit rating."

FICO sells people's credit ratings to lenders based on their FICO formula which is a trade secret and legally protected.

There are other companies like Equifax, Transunion, and TRW. In my mind, these companies' secrecy causes me to question their integrity and the efficacy of their formulas. FICO should willingly disclose the science behind their mathematical formula so it can be challenged and discussed. It only seems fair that a rating factor which affects so many people's lives, whether it be for getting credit, a job, security clearance or the trust of another person, should be

open to investigation. How do we really know its not complete voodoo?

There is a widely held belief that FICO and the entire individual credit rating system was developed by the elite to keep the middle class in their place. "Their place" is presumably in a constant state of fear over their financial rating willing to pay the banks any interest rate or penalty without question.

In our bankruptcy practice, we spend a large portion of our time helping people get back on financial track. I see people regularly who enter my office

in a state of hopelessness and are healthy, happy, laughing and spirited six months down the line. Bankruptcy stays on your credit for ten years. But my response to that is "So what?" Anybody who really wants to get credit and buy another house can do it in three years or better. Even with a very low credit rating. They will have to be creative nowadays. But that is a topic for a different day. So, the focus should not be on your credit rating, but on your ability to pay back a specific amount of a loan within a specific period of time. I tell our bankruptcy clients: "yes, try to get a loan you can afford as soon as possible and pay it back early.

This is the beginning of your life of financial responsibility."

The "fresh start" that one can receive, often times, through bankruptcy is extremely valuable in terms of peace of mind and freedom from stress. Do not put yourself or your family through unnecessary mental hardship. If you think bankruptcy can help, there is only one way to find out. Schedule a free consultation. Often times, we can do the consultation over the phone. The bottom line is that a bankruptcy will not make most people's credit rating much worse than it was already. And it is a new start for your credit rating also.

Celebrating Our Strengths

Our strength is providing a service that helps our clients and their families.

Sometimes we get so caught up in caring for others we forget ourselves. And, in doing so we forget to honor our life and our loving relationship.

What are our strengths? And, what does that mean to you?

Longevity with our caregivers means your loved one gets the best of care—they are in the hands of committed and experienced caregivers.

Mandatory special training each month means your loved one gets the most up to date care—their needs are met.

Special memory care activities means your loved one's mental capacity is extended—their quality of life continues.

Many of our caregivers have personally cared for their loved one and that means they have been there—they know and understand the challenges involved.

CPR trained and certified means you can feel confident your loved one will get the best of care if there is an emergency.

Mandatory virtual dementia tour means our caregivers can better care for clients with dementia.

Our service not only takes care of your loved one, but also helps you. You experience a sense of comfort knowing your loved one is in good hands. This peace of mind permits you to take a real break so you can relax, recharge and refocus. And, this allows balance so you can maintain your best self and a relationship.

We don't think we can afford a break, while the truth is, if we don't take a respite it will break us.

What if you could take a break and refocus, and renew the joy you get from caring for your loved one? It could mean listening to understand more, having more patience and stopping the internal conflicts and doubts.

It means looking into the eyes of a loved one and seeing love reflected back.

We want to value and celebrate our relationships, strive to be our best—a family that supports one another in good times and bad times.

4 Reasons Why You Should Update Your Home's Water Treatment Equipment

By Benjamin Franklin Plumbing & DeBord's One Hour Heating & Air Conditioning® of Chardon, Ohio.

1. Save Water and Salt with a High Efficiency Water Softener

Visit any appliance store and most of the products will tout high efficiency, meaning they use less water and energy to get the job done. High efficiency appliances require highly efficient water, which is why water softeners have become a necessity for many homes. Water-using appliances run better and last longer with soft water.

2. Get a Water Softener with Wireless Notifications

The emergence of the Internet of Things (IoT) means more of the appliances in your home are connected to the cloud. Water softeners are included in the exciting trend of smart appliances! Water-Right's Wripli™ technology wirelessly relays information from select Evolve® and WaterCare® models to your mobile device and to the local water treatment expert who you rely on to service your system.

for homeowners (also available on the iTunes app store) can be set to provide mobile alerts, letting you know when you need to refill water softener salt while providing system status and service reminders. You can even monitor how much water is running through your home in real-time or turn on "Vacation Mode" from anywhere.

With Wripli™, you will be much less likely to forget about your water softener. Instead, it becomes a smart appliance, giving you valuable insights and customizable control.

3. Stay Ahead of Changes in Water Quality

For people living in rural areas, where groundwater is pumped from a private well, it is important to understand that the quality of your water will change over time.

The water treatment solution installed several years ago may not be the right setup for what is in your water today. That is one reason why you need to have well water tested on a yearly basis.

A water softener is meant to remove hard minerals, specifically, calcium and magnesium. However, there are other elements and contaminants dissolved in groundwater, which may require additional filtration or the application of specialized water treatment media.

For example, high iron can be a common water problem in rural homes, causing unsightly staining

and a metallic taste. Sulfur in your water may cause an unpleasant rotten egg smell. Both issues often require additional treatment beyond a basic water softener to improve the water's quality.

Some people take the DIY approach to installing water treatment. That could be a mistake because residential water treatment involves more than hooking up water lines. Every home's water quality is different and customized solutions are needed for the desired results.

4. Address Emerging Contamination Concerns

While not much about municipal water quality has changed over the years, people are starting to open their eyes to the ways in-home treatment can solve problems and give families peace of mind.

That may include concerns about the presence of lead in drinking water due to aging infrastructure in many cities. Or it could be the existence of pharmaceuticals in water. Some homeowners would prefer to avoid fluoride in drinking water. The use of chloramines as a disinfectant in municipal water is another topic of discussion. People using well water may have concerns about contamination from agricultural runoff.

In many cases, a reverse osmosis drinking water system will remove or reduce the majority of potentially harmful contaminants. Some homeowners take additional safety precautions and have whole

home systems installed, including those specifically designed to address lead contamination.

Does Your Water Treatment Need an Upgrade?

Maybe you are uncertain how old your water softener is or whether it is doing an effective job. If you recently moved into a new home, you may want to learn more about what your water quality and how it could be improved.

Democrats Deliver

President Joe Biden and the Democratic Congress are delivering for working families on conquering the Coronavirus Pandemic and getting people back on their feet financially. The recently passed Covid 19 relief bill provides \$1400 stimulus checks to most individuals and up to \$3600 for each child. Unemployment benefits are extended to September and help is provided to renters and landlords. \$14 billion is being provided for vaccine distribution, more money is provided for Coronavirus testing and contact tracing, relief is provided for schools and state and local governments, and more small business loans are being made available.

Democrats will continue to work to help our economy recover by building back stronger and fairer so working families benefit the most. Rebuilding our national and local infrastructure is a key

goal along with providing world class education in every Zip Code. Democrats will continue to work to achieve universal, affordable, quality health care and combating climate change. At the local level, Democrats are working to recruit and elect quality candidates to city, village, township, school board and county offices.

Lake County needs your help. Now is the time to get involved in making your community a better place to work and live. If you would like to get involved with Democrats locally, either by running for office, volunteering or receiving information updates, please contact the Lake County Democratic Party at lakedemocrats@att.net or 440-951-9662. Or visit the local Democratic website at lakedems.com.

Sit. Stay. And Drink! for the Homeless Animals of Lake County

Do you enjoy great drinks, entertainment, and adoptable dogs?

If so, join us for the 4th Annual Pup Crawl: UNLEASHED! Fundraiser for Lake Humane Society on Saturday, June 5th from 1:00- 6:00 p.m., in Downtown Willoughby. The Pup Crawl is a bar crawl with special "pup crawler" guests at each bar, the dogs of Lake Humane Society! The event will include the chance to win great prizes in various raffles, a bake sale, drink and food specials, and much more.

The participating bars in Downtown Willoughby will be announced closer to the event date. In 2019, over a dozen bars participated and over 800 attendees joined LHS for this great event and helped raise over \$30,000 for the homeless animals in their care.

Admission is \$30 in advance and \$35 the day of the event at the door. Your admission includes a t-shirt, drink koozie, face mask, and various featured menus at participating bars. Only 800 tickets available. Must be 21+ to attend. All COVID-19 policies and procedures in place at the time of the event must be followed by all attendees.

Get your tickets today by

visiting our website: www.lakehumane.org. All proceeds raised will go directly towards helping to save the lives of the homeless animals who call Lake Humane Society their temporary home.

Is your company looking for a way to not only promote your business but also make a difference in the community? If so, consider sponsoring one of Lake Humane Society's continuously growing events like Pup Crawl. These events reach thousands of Northeast Ohioans and help LHS continue to save lives and provide invaluable programs and services to the community.

By sponsoring a Lake Humane Society event, you can show that

your company supports homeless animals on their journey to finding a forever home and the people within the community who love their pets. To learn more about sponsorship levels and benefits, please contact the Events Department at events@lakehumane.org

The mission at Lake Humane Society is to protect animals and build connections between pets and people through advocacy and education. Lake Humane Society is a 501c3 charitable nonprofit organization and operates solely on donations.

For more information on Lake Humane Society or to donate, please visit www.lakehumane.org.

Window Savings at Shoreline

Deciding who to call to get your best deal when it's time to replace your outdated windows & doors is easier than you realize.

Start by calling Shoreline Window and Remodeling Company. A company with a professional, experienced track record dating back to 1954. That's 65 years of total customer satisfaction made possible by all our past clients who trusted in our ability to meet or exceed their expectations on receiving the "real deal" for their remodeling projects.

We start by reviewing your project and listening to your goals and concerns and we welcome any recommendations you may have. Then together we establish a budget and work to stay within that cost.

Your materials selections are hands-on, not from pictures out of brochures and once all your selections have been made, we order any products that are not in stock.

After scheduling a start date and work begins, we stay on the project from start to finish. To make your remodeling experience as stress-

free as possible, we always keep you informed of the progress of the job.

Because Shoreline Window and Remodeling Company is a family owned business, you will always be dealing directly with the owner, no pushy salesman or inexperienced tradesmen. Our company is bonded and insured, and our workers are covered by workers compensation for your protection.

We have the highest ratings with the Better Business Bureau and Angie's List. We take pride in our workmanship so you will not only be current client, but in the future, we want to be "the one" contractor you call to take advantage of our other professional services including kitchen and bathroom remodeling. Plus, we also accept all major credit cards & special financing.

Let us show you how to make your next remodeling project a little easier by calling Shoreline Window and Remodeling Company at (440) 946-1495 or (440) 336-3300. You can also look us up at www.shorelinewindowandremodeling.com.

Laketrans Offering Free Transportation to Get Vaccine at CSU Vaccination Site & Local Appointments

Laketrans is providing free, accessible transportation to any resident in need of a ride to a COVID-19 vaccination appointment in Lake County or to the mass vaccination site at the Cleveland State University Wolstein Center that operates

through early May.

“Our job is to give residents access to what they need,” shared Laketrans CEO Ben Capelle. “Transit is a means to make sure there is equal access for everyone to be vaccinated, or really to get anywhere, and we’re happy to

do our role in making sure all residents can get to a vaccination site.”

Appointments in Lake County

Lake County residents can use Laketrans’ local route buses or door-to-door Dial-a-Ride service.

For Laketrans’ door-to-door Dial-a-Ride service, customers must schedule a reservation by calling 440-354-6100. Reservations for Dial-a-Ride can be made a minimum of one day in advance and up to 12 days prior to an appointment.

If a vaccination appointment is at a drive-thru site, Laketrans customers will remain on the bus for the entire trip. Laketrans will transport residents through the entire vaccine process and return them home safely.

Residents who prefer to take Laketrans’ Local Routes 1-9 can call Laketrans Customer Service at 440-354-6100 and request four bus passes be added to their EZfare account or mailed to them.

Appointments at CSU Wolstein Center vaccination site

Laketrans is providing free transportation to Cleveland State University’s Wolstein Center mass vaccination distribution Monday-Friday between 8:15 a.m. and 6:30 p.m. from Laketrans’ new Frank J. Polivka Transit Center at Lakeland Community College starting on Wednesday, March 17. The last daily shuttle departure to

Cleveland is 4:15 p.m.

Laketrans Local Routes 1, 2, 3, 6, 8, and 9 can get you to the Laketrans Transit Center at Lakeland Community College. From there, you can take our special Vaccination Shuttle service to Cleveland. Shuttle service will depart every 30 minutes from 8:15 a.m. to 4:15 p.m. Free parking is available at the Transit Center, located at 7601 Clocktower Drive, Kirtland, OH 44094.

Once you arrive in Cleveland, Laketrans will layover at RTA’s Stephanie Tubbs Jones Transit Center that is located next to the vaccination site. From the Transit Center, you will cross E.21st Street to the CSU Wolstein Center.

A detailed Vaccination Shuttle schedule and map is available at Laketrans’ website.

Laketrans plans to operate the special shuttle service throughout the duration of the eight-week vaccination program. This service is being provided free of charge, supported by the ODOT Rides for Community Immunity program and FEMA.

Homecare Program for Lake County Seniors

Seniors living in Lake County who need assistance with personal care, bathing, meal prep, light housecleaning, laundry and other essential tasks have an option for assistance if they meet eligibility requirements. The non-medical program, administered through the Lake County Council on Aging, currently has several openings available for seniors, 60 and over.

Non-medical care can significantly improve a senior's ability to maintain independence and allow them to continue to live in the comfort and security of their own home. This program is designed to provide support to Lake County seniors who are not eligible for traditional Medicaid based programs but cannot afford to pay privately for the care they need. The program is funded through the Lake County Senior

Services Levy and is administered at no cost to eligible seniors.

"The collaboration between the social workers at the Council on Aging and the home care agencies offers a unique support system for seniors aging in place and their families," said Danielle Phillips, Program Manager. "It not only gives families peace of mind that immediate needs are being met, it also provides a system prepared

to address future needs as they arise."

By 2030, one in three individuals residing in Lake County will be 70 years of age or older. This program is just one of several programs put in place by the Board of Lake County Commissioners in their continued effort to position the county to handle the increasing senior population.

Participants must meet income

verification guidelines and have an assessment completed by a social worker from the Council on Aging. The Council on Aging has contracted with three local home care agencies that provide hands-on care and support to seniors enrolled in the program. Eligible seniors are assigned to a home care agency promptly after the social work visit.

For more information on the program, eligibility requirements and program availability, please call the Lake County Council on Aging at (440) 205-8111.

Willoughby's Handyman Company Not Looking for New Customers

Monthly Upkeep has been very blessed with the support of their community and our customer base.

Contrary to the title they love working with new customers, but are faced with a unique challenge right now. While they are continuing to service our previous customers, as well as all of new customers needs, we are actively looking for experienced tradesmen. The key trait Monthly Upkeep is looking for is a 'no excuses, get the job done' attitude.

Are you currently looking for a

full time job? Or maybe you are a retired tradesman looking for a part time job? Do you have great customer service skills and a can do attitude?

If you have any experience with electrical, plumbing, tiling or general carpentry we would love to meet with you. Monthly Upkeep has a great crew that customers love. They are looking to add some great talent to their team.

If you are retired and want to get back into the business, but don't want to do all the heavy work, we have just the job for you. We are

also looking for someone who is great with customers and knows enough about home remodeling to add to our Office Staff.

Monthly Upkeep received a surge throughout the pandemic and is growing 20% month over month. They need Willoughby's help and support to continue to service more customers in our community.

In closing whether you are a customer who wants to hire or have a recommendation for a great new employee, Monthly Upkeep would love to hear from you.

Time to Take Another Look at Affordable Care Coverage

In years past, once the Affordable Care Act Open Enrollment Period ended in December, folks would have to wait to sign up for a Health Insurance Marketplace® plan until the following November unless they qualified for a Special Enrollment Period. This year is different.

The ACA window recently reopened, providing a lifeline to affordable comprehensive health insurance coverage to those without it. The Market Place will accept new applications for ACA

plans through May 15, 2021. It is one of a series of steps that experts say could provide access to health plans for millions of uninsured Americans.

In addition, the recently passed coronavirus relief plan contains a number of provisions to make coverage more affordable. Most people who are insured through the ACA will receive additional premium subsidies under the new law. That is because Congress is changing the way subsidies are calculated and are lowering — across the board — how much consumers are expected to pay, based on their annual income. An example provided by a Kaiser Family Foundation analysis indicates premiums would drop by around 50% to 80% depending on the plan for a 60-year-old with a \$55,000 income. The people who will benefit the most are those who make just over the poverty level because their premium costs

will go down to as low as \$0, according to several estimates.

According to estimates by the Kaiser Family Foundation, approximately 2 to 3 million workers lost employee-based health plans between March and September 2020. Even before the pandemic, roughly 30 million Americans were without coverage. Unfortunately, many who could best use this type of insurance were not familiar with the enrollment process, did not know they qualified for subsidies, or missed the deadline in December to enroll. The additional Open Enrollment period gives them an opportunity to get health care coverage for themselves and their families.

To learn if you qualify or to enroll in an Affordable Care Plan, please contact me at 440-255-5700 or email me at Lmutsko@mutskoinsurance.com.

The menu is chicken, mushroom and spinach crepes; frosted grapes; fresh fruit; mixed greens salad; melba toast, dinner rolls, and sticky buns. Creme brulee and macaroons are the dessert.

Reservations are required no later than May 7 by email: anthonyjanem@yahoo.com or phone: 440-579-5020. The cost is \$40.00 per person payable at the door in cash or by check. Valet parking will begin at 11:00 a.m., lunch at 11:30 with program to follow.

Covid protocols will be adhered to (please wear a mask).

The Women's Committee is an independent auxiliary whose mission is to support and promote The Fine Arts Association in the appreciation of the creative arts of music, dance, art and drama (www.fineartsassociation.org).

throughout Northeast Ohio, along with honest, fair prices.

Steve Douglas the owner of Mentor Window was asked about how they continue having such success in the home improvement industry. "We have crews that have been with us for decades, and we are very particular about the installers we hire. We won't just hire anyone to catch up if we are backed up a bit, quality is at the top of our list when it comes to workmanship. When it comes to pricing, we are straight forward with people, they don't want to

hear any buy 1 get 1 free nonsense. They want a fair, honest price up front without all the gimmicks you see out there in advertising. We treat each and every one of our customers like family."

"Only about 5% of the Home Improvement companies in Northeast Ohio have performed consistently well enough to earn our Super Service Award," said Angie (founder of Angie's List.) "It's a really high standard."

Angie's List Super Service Award 2020 winners have met strict eligibility requirements,

which include an "A" rating in overall grade, recent grade, and review grade period; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A to F scale in areas ranging from price to professionalism to punctuality.

Mentor Window offers a full range of home improvements, including Energy Star Tilt-In double hung windows, slider

styles, bay windows, casement windows, patio doors, fiberglass and steel entry doors, vinyl siding in over 50 colors & styles, cedar shake style siding, seamless gutter systems, gutter covers, blown in insulation, and a complete line of backyard storage buildings.

Interest free financing is available and most major credit cards are accepted.

The Osborne Park Market & Flea Returns Each Wednesday from June - September

By: Kathie Pinkerman

The Osborne Park Market & Flea will be at Osborne Park in Willoughby again this year, rain or shine.

We look forward to another great year. The "Trendy" Pop-up Shop vendors will be

joining us along with a variety of vendors and local produce who will have something for everyone.

The Market & Flea runs June through September, every Wednesday from 4 - 8pm. There are some new changes that will take place

this year. You can download an application from our Facebook page, Willoughby Lakefront Business Association.

If you are interested in selling at the market, you will need the following:

1. An application must be

filled out (completely) before entering the market.

2. There will be a donation of \$5.00 payable at the gate per week (with the exception of the classic cars.)

3. Set up times start at 2pm-no earlier, no exceptions.

4. All vendors must have tables.

5. If you are a direct sales, please check with the market administrator before the event, only one of each will be allowed. You can contact Deb or Monica at trendypopshop@gmail.com to make sure of no duplicates.

6. We ask that you have a tent, (not mandatory for this year, but will be for the future market.)

7. There will be no cars allowed to enter after the market starts at 4pm.

8. All vendors must stay until the end of the market at 8pm.

9. You must have a mask and hand sanitizer at your table.

10. All vehicles will be assigned a spot when entering.

11. You must leave your spot clean of litter.

We look forward to the return of DJ STRAY from All About You Entertainment Inc., who supplies us with music.

There will be a variety of food vendors to satisfy your hunger cravings.

We are always looking for artists, crafters, bakers and food trucks, and this year we would like to add classic cars to the event.

If you have a classic car you would like to show off, please contact Kathie at (216) 224-0925 for more information.

Last year we had a whopping 96 vendors!! We also want you to know that Osborne Park is a Dog Park, Willoughby's Recreation and Service Department has done an incredible job at making the city's parks an outstanding experience for everyone to enjoy.

Please remember to keep your dog on a leash and under control at all times. The Willoughby Lakefront Business Association will have a table with dog cookies, poop bags, and a water dish for our 4-legged friends.

We look forward to seeing everyone at the Market & Flea! Remember to shop and buy local!

The Osborne Park Market & Fleas is Sponsored by the Willoughby Lakefront Business Association.
