1. Customer agrees to pay for any damage caused by misuse or negligence in operation of fill station.
2. Customer understands that hose end should be cleaned before use. Pioneer Water & Sewer District (Pioneer) has no control and makes no guarantees as to prior uses or cleanliness of other users' water tanks.
3. Pioneer dispenses potable, treated water from the fill station. Pioneer will not be responsible for cleanliness or quality of water after it is dispensed from the unit into customer's tank.
4. Customer agrees not to allow hose end to contact pesticides, herbicides, or other chemical or organic contaminants.
5. Water billed at \$12.15 per 1000 gallons, and must be paid for in advance, \$20.00 initial load.
