

WELCOME LEAGUE OPERATORS AND MEMBERS:

So, hopefully, you are wondering what is going on at the Iowa ACS, well plenty. We applied for the Regional Development Authority Grant Fund and was, unfortunately, turned down. The RDA has turned more attention to community issues and less to one-time events. But not to worry, we still have some great sponsors in the River Center, the City of Davenport, QCVB/QCSC; and with their continued support, we are moving forward. The Iowa ACS has increased our added money to \$6,000.00, and we also have the support of Diveney Cues sponsoring the Iowa ACS/Diveney Cues Advanced Tournament. We have made several new divisions with the BEF Juniors Qualifier being held on Sunday Oct 26, 2017, pre-registration available, as well as on-site. We are handicapping some divisions, and some levels. We are still requiring 4 weeks of play, starting from Nov 1, 2016 thru start of tournament. The Iowa ACS is trying something totally new, we applied for Iowa Gambling License, and hope to run 50/50 raffles. We are working with the City of Davenport, to get drink and food, specials outside of the RiverCenter/Adler Center, where the event is begin held. You can reserve your rooms now for the Oct 26- 29, 2017 Iowa ACS Tournament. More information is available on our website www.iowaacs.com.

To all league operators, we are requiring each league to send a copy of your leagues' sanctioned players' names to the secretary. This was voted into the By Laws previously. This way we have complete accountability of the internal workings of the Iowa ACS. This only helps us grow as an organization, and benefits all associated. Send player lists to Donna Whitcomb, Iowa ACS Secretary, wonwhit@aol.com, or at 7624 239th Street North, Port Byron, IL 61275.

Be sure to check out our ACS State website at www.iowaacs.com for the latest information and entry forms.

Also remember that the River Center of Davenport will be hosting the ACS Midwest Regionals, January 17-21, 2018. More information is available on their website jlewis@americancuesports.org or www.americancuesports.org.
